You requested the following information:-

The amount of money spent, by financial year, on PR. Ideally I would like this broken down into categories:

PR training for ministers and PR personnel, and any other persons who receive training. Data should be given separately for both.

We have handled your request under the Freedom of Information Act 2000.

The Wales Office does not spend money on media training, press releases or social media.

I enclose details for the past five years on the overall cost of the communications team
