Dear

Thank you for your e-mail to the Ministry of Defence (MOD) dated in which you requested the following information:

Please tell me which schools, and further and higher education institutions in Brighton and Hove have been visited, and how many times, by the armed forces in the last two years

I am treating your correspondence as a request for information under the Freedom of Information Act (FOI) 2000.

A review of our data holdings has been completed, and I can confirm that the MOD does hold some information within the scope of your request; this is provided in the attached Annex. The Data provided you will notice differs slightly between the individual Services. The reasons for this are:

- 1. The Royal Navy have provided information specifically for school/higher education visits within the Brighton and Hove area.
- The British Army data is only available for the county of Sussex starting on the 17 September 2015. Information before that date is exempt under Section 21 of the FOI Act, because it is reasonably accessible to you by other means. It is already in the public domain at the following link: https://www.gov.uk/government/publications/foi-responses-published-by-mod-week-commencing-2-november-2015
- 3 Royal Air Force data is available from only January 2015, prior to that date it was not mandatory to record school/higher education visits on their centralised computer system. The information provided is based on visits within the Sussex area.

The Armed Forces never visit schools for recruitment purposes and would only ever visit a school after being invited by a teacher to support school activities. Similar contributions to schools are made by the Police, Fire, Ambulance and other emergency Services. The Armed Forces receive numerous requests from schools each year and the three Services take these opportunities to both explain their role, and to assist schools in teaching valuable skills such as leadership, teamwork and citizenship.

If you are not satisfied with this response or you wish to complain about any aspect of the handling of your request, then you should contact me in the first instance. If informal resolution is not possible and you are still dissatisfied then you may apply for an independent internal review by contacting the Information Rights Compliance team, 1st Floor, MOD Main Building, Whitehall, SW1A 2HB (e-mail CIO-FOI-IR@mod.uk). Please note that any request for an internal review must be made within 40 working days of the date on which the attempt to reach informal resolution has come to an end.

If you remain dissatisfied following an internal review, you may take your complaint to the Information Commissioner under the provisions of Section 50 of the Freedom of Information Act. Please note that the Information Commissioner will not investigate your case until the MOD internal review process has been completed. Further details of the role and powers of the Information Commissioner can be found on the Commissioner's website, http://www.ico.org.uk.

Yours sincerely,

Defence People
