Notes/Caveats:

The figures are for Regular Army only and therefore exclude Gurkhas, Full Time Reserve Service and Mobilised Reserves.

Length of service has been calculated using entry date. There are known problems with the entry date information extracted from JPA which is supposed to reflect their 'current entry date' but if personnel have transferred to the Army from another Service, served under an alternative assignment type (e.g. reserve forces), are re-entrants or have transferred from Other Ranks to Officers, their entry date may correspond to any of these events. The resulting LoS may reflect their current period of service, include previous service, or it may be the time that has elapsed since they first joined the Armed Forces, irrespective of any break in service.
