[REDACTED]

5 November 2015

Dear [REDACTED],

I wrote to you on 19 October in response to your e-mails of 29 August and 18 September requesting details of Tornado and Typhoon aircraft. However, the list of Typhoon aircraft provided at Annex B of my response dated 19 October contained an error.

Annex B of my letter listed the home Station of XI Squadron as being RAF Marham. However, this was incorrect as their home Station is actually RAF Coningsby. I therefore attach a corrected Annex B.

Please accept my apologies for any confusion that this error may have caused.

If you are not satisfied with this response or you wish to complain about any aspect of the handling of your request, then you should contact me in the first instance. If informal resolution is not possible and you are still dissatisfied then you may apply for an independent internal review by contacting the Information Rights Compliance team, 1st Floor, MOD Main Building, Whitehall, SW1A 2HB (e-mail CIO-FOI-IR@mod.uk). Please note that any request for an internal review must be made within 40 working days of the date on which the attempt to reach informal resolution has come to an end.

If you remain dissatisfied following an internal review, you may take your complaint to the Information Commissioner under the provisions of Section 50 of the Freedom of Information Act. Please note that the Information Commissioner will not investigate your case until the MOD internal review process has been completed. Further details of the role and powers of the Information Commissioner can be found on the Commissioner's website, <http://www.ico.gov.uk>.

Yours sincerely,

[REDACTED]
