The income and expenditure account includes:

- a) the income and expenditure of Headquarters;

**NOTES TO THE ACCOUNTS**  
**FOR THE YEAR ENDED 31 DECEMBER 2013**

---

**1. STATUS OF THE COMPANY**

The RCM is a company limited by guarantee and does not have share capital. The members' liabilities in the case of both organisations are limited to £1, and there were 42,780 members as at the 31 December 2012. The RCM is registered as a trade union.

**2. ACCOUNTING POLICIES**

**a) Accounting convention**

The accounts are prepared under the Companies Act 2006, the historical cost accounting rules, modified by the revaluation of listed investments, and in accordance with applicable accounting standards.

**b) Basis of consolidation**

The consolidated accounts incorporate the accounts of the RCM and its subsidiary, The Royal College of Midwives Trust, at 31 December 2013. The Royal College of Midwives ( a company limited by guarantee which is not charity) is a corporate member of the Trust and appoints all the trustees. The accounts of the subsidiary also include "The Benevolent Fund of the Royal College of Midwives", which is a subsidiary charity of the Trust, and the RCM Trust Trading Company Limited, a subsidiary company of the Trust in which the Trust holds the sole share..

**c) Members' subscriptions and donations to RCM Trust**

In accordance with a resolution of the former Council, the RCM retains the proportion of subscription income, which equates with its total expenditure. The balance of subscriptions income is donated to The Royal College of Midwives Trust.

**d) Depreciation**

Depreciation of fixed assets is charged in equal annual instalments commencing with the year of acquisition, at rates estimated to write off their cost or valuation less any residual value over their expected useful lives, which are as follows:

Freehold building	50 years
Leasehold property	Over period of lease
Furniture and office equipment	5 years
Computer software	3 years

Freehold land and buildings were historically held at valuation. When FRS15 was first implemented, these values were frozen under the transitional provisions of the standard and a policy of depreciation has been applied. Freehold land and buildings are therefore accounted for on a historical cost basis for the purposes of FRS15.

**e) Stocks**

Stocks are valued at the lower of cost and net realisable value after making due allowance for any obsolete or slow-moving items.

**2. ACCOUNTING POLICIES (CONTINUED)**

**f) Investments**

Investments are stated at mid-market value at the balance sheet date. Gains are calculated based on the difference between the closing market value or sales proceeds and the purchase price or opening market value.

**g) Leasing**

Operating lease rentals are charged to the income and expenditure account on a straight line basis over the period of the lease.

**h) Pension contributions**

The RCM runs a defined benefit scheme for its members. The RCM's contributions are based on actuarial advice and the costs of the scheme are accounted for under the provisions of Financial Reporting Standard No 17 Retirement Benefits.

**i) Income**

Donated income is credited to the Income and Expenditure Account in the period in which it is received. Investment income, interest and other incoming resources are credited to the Income and Expenditure Account as they are earned. Income received for services is recognised during the year in which the service is provided. Grant and contract income is recognised in the Income and Expenditure Account to the extent that entitlement to the income has been earned at the end of the year. Subscriptions income is only recognised during the year to which the subscription relates; subscription income received in advance of the period to which it relates is deferred. Other income is accounted for on the accruals basis.

**j) Expenditure**

Expenditure is accounted for on the accrual basis and includes any unrecoverable elements of VAT.

**3. BRANCH RETURNS**

53 branches of the RCM have not submitted accounts to Headquarters for the year ended 31 December 2013. The omission of these branches does not materially affect these accounts; accordingly the balance sheet includes only the latest known cash balances in respect of these branches. 35 branches which have not submitted accounts bank with Unity Trust Bank, the same bank RCM HQ uses, therefore it was possible to verify their cash balances. The income and expenditure account includes:

- a) the income and expenditure of Headquarters;
- b) the income and expenditure of 101 (2012: 124) Branches including RCM Wales and RCM Northern Ireland offices which have submitted accounts; and
- c) amounts received at Headquarters from the branches that have not submitted accounts.

The total cash at bank and in hand shown in the Group balance sheet of £3,070,037 (2012: £2,665,203) includes £ 531,906(2012: £508,647) held by branches.

## AUDITOR'S REPORT TO THE MEMBERS OF THE ROYAL COLLEGE OF MIDWIVES

We have audited the financial statements of the Royal College of Midwives for the year ended 31 December 2013 which comprise the income and expenditure, balance sheet and related notes included within the AR21 as set out on pages 3 to 23 of the AR21. These financial statements have been prepared under the historical cost convention and the accounting policies set out therein.

This report is made solely to the College's members, as a body. Our audit work has been undertaken so that we might state to the College's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the College and the College's members as a body, for our audit work, for this report, or for the opinion we have formed.

### Respective responsibilities of Officers and Auditors for the Financial Statements

The Trade Union and Labour Relations (Consolidation) Act 1992 and the Trade Union Reform and Employment Rights Act 1993 require the officers of the College to keep proper accounting records which give a true and fair view of the state of affairs of the College and explain its transactions; establish and maintain a satisfactory system of control of the accounting records, cash holdings and all the receipts and remittances; prepare an annual return for the Certification Officer giving a true and fair view of the revenue account and balance sheet and provide members of the College with a statement of income and expenditure for the year. We have been appointed as auditor under section 33 of the Trade Union and Labour Relations (Consolidation) Act 1992 and report in accordance with Section 36 of that Act. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

### Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of whether the accounting policies are appropriate to the union's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the officers; and the overall presentation of the financial statements.

We read all the financial and non-financial information in the financial statements to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

### Opinion on the financial statements

In our opinion the financial statements:

- give a true and fair view of the state of the Royal College of Midwives affairs as at 31 December 2013 and of its transactions for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Trade Union and Labour Relations Act 1992.

**Matters on which we report by exception**

We have nothing to report in respect of the following matters where the Trade Unions and Labour Relations Act 1992 requires us to report to you if, in our opinion:

- proper accounting records have not been kept;
- a satisfactory systems of control over its accounting records, cash holdings and receipts and remittances has not been maintained; or
- the financial statements are not in agreement with the accounting records or returns.
