Hi again [REDACTED]

I'm so sorry I forgot to mention this: we have a bank holiday on the 25th and 26th next week. I would have happily come through anyway but I'll be out of the province with family. Could we do the 27th, or perhaps the following week?

Kindest regards,

Dear [REDACTED]

I got your email address from [REDACTED] I am the new climate change and energy policy lead at the British High Commission in Pretoria. Being South African, I assist with analysis and the South African context, in an effort to strengthen SA/UK bilateral relationships in these areas. As such I am always looking to get in touch with stakeholders in the climate/energy sectors and hear their perspectives. Eskom is obviously a major part of this. We also fund climate change and energy projects through our Prosperity Fund, and are in the process of looking for further energy related projects for this financial year.

I am going to be at the African Utility Week on Wednesday afternoon (13th), and in Cape Town until Friday (15th), and was wondering if you would be available for a short meeting? I realise it is very short notice but think it would be great to make contact and chat if we have the opportunity.

I have copied my gmail address above, so that we can remain in contact even if I am away from my desk.

Kind regards,

[REDACTED]
