Viewings of the vessel are due to take place late September early October but only parties that have a valid Pre Qualification Questioner (PQQ) or have received confirmation their PQQ has been successful (*A [PQQ](#) needs to be completed and returned for all companies not holding a valid PQQ*) will be invited to tender for the vessel and attend viewings.

The vessel is moored at Portsmouth and will be sold from there.

For Pictures and more detail on the vessel please see attached links [Pictures](#) & [General Particulars](#)

The Disposal Services Authority (DSA) is inviting expressions of interest for the sale of the **HMCC SENTINEL** on behalf of the UK Border Agency for Further Use or Recycling.

You should be aware that whilst approved by Lloyds at build (with a certificate on board the vessel), stamped approval drawings could not be located. DSA have contact Lloyds to seek advice on the issue, of not only, whether Lloyds stamped approval drawings can be located, but also whether such things exist; having looked into this, Lloyds' advice is that such drawings would not exist because, whilst Lloyds oversaw and approved the vessel's build, it was not the approving authority for the original design.

All interested parties must e-mail:

Desdsa-bd1a@mod.uk & DESLCSLC-DSACommercial@mod.uk no later than 17.00 Hrs (GMT) Friday 11th September 2015 .
