Subject: 20080206-TSO Request-Amendment to the Army Pensions Warrant (APW) - AC13045 (Amendment 40 Change 3)

[REDACTED]

I am in the process of putting together an amendment (Amendment 40 Change 3) to AC13045 the Army Pensions Warrant. Please can you provide me with a cost for printing 2225 copies and producing a new electronic master of the whole APW including this amendment in word format?

The amendment is:

- 17 pages of A4.
- Double sided
- Drilled for insertion in A4 ring binder

The amendment is being presented to the Queen next week for signature and will go before parliament the following week. I will be looking to get the amendment printed shortly after that.

Please note I have still not received the electronic master for Amendment 40 Change 2 which was printed in November 2007. In order that I can send off an accurate amendment this time I need that electronic master **URGENTLY**.

Yours
