8 June 2016

E-mail: [REDACTED]

Dear [REDACTED]

Thank you for your e-mail of 14 May 2016 requesting the following information:

*In 2014 you released the following information on the MOD's spending on PR:*

<https://www.gov.uk/government/publications/ministry-of-defence-spend-on-public-relation-pr-services>

*I request that an up to date table including the above information and also the equivalent information for the two financial years since then be provided to me.*

I am treating your correspondence as a request for information under the Freedom of Information Act 2000 (FOIA).

A search for the information has now been completed within the Ministry of Defence (MOD) and I can confirm that all information in scope of your request is held. A list of companies with whom we have recorded expenditure under a broad PR category (see note under Section 16 below) for financial years 2013/14 and 2014/15 is attached at Annex A. Information for the financial year 2015/16 is not yet available.

Under Section 16 of the Act (Advice and Assistance) please note that the advice and assistance provided in the previous FOI response dated 25 October 2013 still applies. The total spend on PR services has been identified where expenditure has been attributed to a discrete code that incorporates a diverse scope of activity, much of which would not normally be classed as PR. For example, while it includes expenditure on recruitment to the Armed Forces, it also includes such activity as the costs of exhibitions and displays, marketing, sales promotion, business support, some welfare activities, scholarships and liaison with employers and local agencies. The department is unable to examine each entry on the list for accuracy within the appropriate cost limit.

Section 40 of the Act (Personal Data) has been applied to some of the information in order to protect personal information as governed by the Data Protection Act 1998. Section 40 is an absolute exemption and there is therefore no requirement to consider the public interest in making a decision to withhold the information.

If you are not satisfied with this response or you wish to complain about any aspect of the handling of your request, then you should contact me in the first instance. If informal resolution is not possible and you are still dissatisfied then you may apply for an independent internal review by contacting the Information Rights Compliance team, 2nd Floor, MOD Main Building, Whitehall, SW1A 2HB (e-mail [CIO-FOI-IR@mod.uk](mailto:CIO-FOI-IR@mod.uk)). Please note that any request for an internal review must be made within 40 working days of the date on which the attempt to reach informal resolution has come to an end.

If you remain dissatisfied following an internal review, you may take your complaint to the Information Commissioner under the provisions of Section 50 of the Freedom of Information Act. Please note that the Information Commissioner will not investigate your case until the MOD internal review process has been completed. Further details of the role and powers of the Information Commissioner can be found on the Commissioner's website [www.ico.org.uk](http://www.ico.org.uk)

Yours sincerely,

DDC Secretariat Parliamentary
