Information released under the Freedom of Information Act

Title: Information relating to the Foresight Future of the Sea Project

Date of release: 15 July 2016

Information request

I would like to make a request under the Freedom of Information Act. I would like you to kindly send me all internally available information and/or communications relating to a project known as 'Future of the Seas' (clarified to mean The Foresight Future of the Sea Project).

This information may include, but not be limited to:

- the scope and/or terms of reference for this project
- aims and objectives
- details of which departments are involved
- budget for the project
- anticipated outputs
- any steering group associated with the project

Information released

The information you requested is attached and as follows.

The scope and/or terms of reference for this project

Aims and objectives

Details of which departments are involved

The scope, aims and objectives, and departments anticipated to be involved are all contained in the attached document.

Budget for the project

The budget for commissioned research and events will be determined by the requirements identified in the detailed scoping phase.

Anticipated outputs

The principle project output is anticipated to be a published report. Others will be determined as the project develops.

Any steering group associated with the project

Composition of the project steering group is still to be determined, but likely to include representatives from involved departments.
