

Eden Girls' Slough – Impact assessment

Secondary Schools

School name	Type	Distance from FS (miles)	School Capacity	Surplus places at point of entry year	Attainment 2014	Inspection rating	Inspection date	Impact Rating
Herschel Grammar School	Academy Converter	0.5	900	-25	98%	Outstanding	19/09/2012	<p>Minimal</p> <p>The school is currently oversubscribed and provides an excellent education. It is unlikely the free school will have any effect on its long term viability</p>
The Westgate School	Academy Converter	0.6	1040	-1	66%	Outstanding	21/03/2014	<p>Minimal</p> <p>The school is currently oversubscribed and provides an excellent education. It is unlikely the free school will have any effect on its long term viability</p>
Slough and Eton CofE Business and Enterprise College	Academy Converter	0.7	1066	-6	56%	Outstanding	22/11/2013	<p>Minimal</p> <p>The school is currently oversubscribed and provides an excellent education. It is unlikely the free school will have any effect on its long term viability</p>

Ditton Park Academy	Free Schools	0.7	1100	No data	No KS4 data	No Ofsted grade	No Ofsted grade	too early to assess
Baylis Court School (girls)	Academy Converter	0.9	950	1	71%	Outstanding	15/10/2007	<p>Minimal</p> <p>The school is providing an excellent education, and whilst it has a very small surplus it is unlikely to be affected by the free school in the long term. Baylis Court whilst offering a single sex choice does not offer a faith choice that is available at the free school.</p>
St Joseph's Catholic High School	Voluntary Aided School	1.2	730	-9	43%	Requires Improvement	09/10/2013	<p>Moderate</p> <p>Whilst the school was rated 'requires improvement' at its last inspection it remains a popular school within the locale. Whilst it may lose some pupils to the free school we do not believe its long term viability is likely to be affected.</p>
Upton Court Grammar School	Academy Converter	1.6	1115	7	99%	Outstanding	31/01/2008	<p>Minimal</p> <p>The school is currently provides an excellent education and is a large school. It is unlikely the free school will have any effect on its long term viability.</p>

Beechwood School	Community School	1.6	905	1	45%	Requires Improvement	28/02/2014	<p>Moderate</p> <p>The free school may have a moderate effect on this school. However given that this school is co-education non faith and 1.6 miles away from the free school it is difficult to have certainty that pupil destinations would've only been this school and not other schools in the locale.</p>
St Bernard's Catholic Grammar School	Voluntary Aided School	1.8	894	-3	98%	Outstanding	30/09/2011	<p>Minimal</p> <p>The school is currently oversubscribed and provides an excellent education. It is unlikely the free school will have any effect on its long term viability.</p>
Lynch Hill Enterprise Academy	Free Schools	1.9	1140	No data	No KS4 data	No Ofsted grade	No Ofsted grade	too early to assess
Wexham School	Community School	1.9	1029	-4	49%	Good	25/09/2013	<p>Minimal</p> <p>The school is currently oversubscribed and provides an excellent education. It is unlikely the free school will have any effect on its long term viability.</p>

The Windsor Boys' School	Community School	2.1	1027	3	55%	Requires Improvement	09/05/2013	None
Burnham Grammar School	Academy Converter	2.2	895	0	99%	Good	23/11/2012	<p>Minimal</p> <p>The school is currently full and provides an excellent education. It is unlikely the free school will have any effect on its long term viability</p>

## Colleges

School name	Type	Distance from FS (miles)	Approx number of pupils at the college	Average points score 2014	Inspection rating	Inspection date	Impact Rating
East Berkshire College	General Further Education College	3.0	5200	624.7	Good	01/03/2013	<p><b>Minimal</b></p> <p>The free school 6th form is not due to take students until 2019.</p> <p>Assuming these colleges continue to perform at their current levels or better, it is unlikely that a cohort of 100 students per year group would have a major impact on the viability of these colleges, especially given that student numbers in the area are rising over the next few years.</p>
Strode's College	Sixth Form College (Voluntary Controlled)	6.2	1345	699	Good	15/05/2009	
Uxbridge College	General Further Education College	6.7	4889	639.4	Outstanding	16/05/2008	
Bracknell and Wokingham College	General Further Education College	8.7	2492	614.5	Good	29/11/2013	

Secondary need - Data includes targeted basic need, open free schools, BSF and CSD		Positive number or % represents a shortfall of places. Negative number or % represents surplus places.								
		2015/16		2016/17		2017/18		2018/19
