

# Freedom of Information request 4056/2013

Received 24 August  
Published

## Information request

*There have been reports that the DWP was looking to restrict child benefit to two children per family.*

*I would like to request what the DWP estimates this would have saved?*

## DWP response

Unfortunately we are unable to answer your question as Her Majesty's Revenue & Customs (HMRC) has policy responsibility for, and administers Child Benefit. Therefore you will need to send your Freedom of Information request to them.

Information on how to send a request to HMRC is found in the link below:
