Dear

Request for Information

Thank you for your email and letter dated 7 December 2015 requesting the following information in pursuance of the Freedom of Information Act 2000 (FOIA).

Who is the senior officer (outside of procurement) responsible for ICT/Digital/Business Change Programmes & Strategy?

We can confirm that the substantive Head of Information Technology (IT) is David Lyall, however he is currently seconded into another strategic role in the Homes and Communities Agency (HCA). During this period, Max Carter and Tina Hughes are sharing the Head of IT role focussing on the South and the North respectively. Max Carter is responsible for IT Strategy and Systems whilst Tina Hughes is responsible for Infrastructure and Support

If you have any questions regarding this response or any further queries you can contact us at the following addresses and quote your unique reference number found at the top of this letter:
