## BRITISH ALLIED TRADES FEDERATION Report of the Directors

To be presented to the Members at the Annual General Meeting to be held on Thursday 31st May 2012.

#### Members of the Board of Directors

The Directors and Officers are shown on page 3. The Officers have served since the Annual General Meeting held in June 2011. All the Directors have served throughout the year except for Mrs P Allan, Mr D A Doyle and Mr R Green who retired on 23<sup>rd</sup> June 2011, and Ms K Owen who was appointed on 23<sup>rd</sup> June 2011.

In accordance with the Federation's Articles of Association, Mr Gary Williams, Mr Stephen Parkes, Mr Mike Burgess and Mr Michael Sweeney are to stand for election as Directors at the forthcoming AGM.

In accordance with Article 13 of the Federation's Articles of Association, the Board has elected Mr Michael Hughes and Mr. Martin Olsen to be President and Deputy President respectively for the ensuing two years.

In accordance with the Articles of Association, Ms K Owen is being re-appointed to the Board by the Giftware Association.

#### Statement of Directors' Responsibilities in Respect of the Accounts

The Directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable law and regulations.

Company law requires the Directors to prepare financial statements for each financial year. Under that law the Directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards) and applicable law.

Under company law the Directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Federation and of the profit or loss of the company for that period. In preparing these financial statements, the Directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The Directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

#### **Provision of Information to Auditors**

Each of the persons who are directors at the time when this Directors' report is approved has confirmed that;

- so far as that Director is aware, there is no relevant audit information of which the Federation's auditors are unaware, and
- each Director has taken all the steps that ought to have been taken as a Director in order to be aware of
  any information needed by the Federation's auditors in connection with preparing their report and to
  establish that the Federation's auditors are aware of that information.

#### **Auditors**

The re-appointment of Crowe Clark Whitehill LLP as auditors for 2012/13 will be proposed at the Annual General Meeting.

#### **Activities and Business Review**

The activities of the Federation consist of the provision of services to members, these principally being the development of Members' trade at home and overseas. In addition, the Federation develops overseas trade for non-members within its industry sectors.

It obtains discounts on stand space fees at several trade fairs in the United Kingdom and provides meeting and conference facilities at Federation House. The Federation also provides central services to its five constituent Trade Associations such as accounting, IT and office accommodation. The Directors are of the opinion that the current market value of the building is higher than that disclosed in the accounts.

#### **Review of Trading Results and Taxation**

The Federation has a pre tax loss of £25,559 and a post tax profit of £34,929

	Trade Associations	Central Services	TOTAL	
	£	£	£	
Trading (profit) /loss	18,856	(44,415)	(25,559)	
Tax recoverable		60,488	60,488	
Profit after Taxation	<u> 18,856</u>	16,073	34,929	

The trading profit does not include realised or unrealised gains and losses on the portfolio. The net loss on disposals during the year is shown in the Statement of historical cost profits and losses on page 16.

#### **Review of Investment Performance**

Our investment portfolio continues to be managed by two leading firms of investment managers and overseen by our own sub-committee. In what turned out to be a poor year for world equity markets, our investments provided a return that was broadly in line with their performance benchmarks and, most importantly, provided the Federation with the budgeted level of income.

Note 8 to the accounts indicates the current composition of our investments and reflects the changes to asset allocation which have been made during the year.

#### Membership

Set out below is a record of the Federation's membership (excluding Associate Members) over the last five years as at 31st December in the years stated:

	GA	BJA	SEA	JDA	BTAA	AMMA	TOTAL

#### **Thanks**

The year ending 31st December 2011 has once again been a busy year and the Board records its gratitude for the support and hard work which has been given by the Chairmen and Committees of the Federated Associations and by the staff at all levels.

### BRITISH ALLIED TRADES FEDERATION Report of the Auditors

#### Independent Auditors' Report to the Members of the BRITISH ALLIED TRADES FEDERATION

We have audited the financial statements of the BRITISH ALLIED TRADES FEDERATION for the year ended 31 December 2011 set out on pages 16 to 24.

The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

This report is made solely to the Federation's Members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the Federation's Members those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the Federation's Members as a body, for our audit work, for this report, or for the opinions we have formed.

#### Respective Responsibilities of Directors and Auditors

As explained more fully in the Statement of Directors' Responsibilities, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

#### Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the Federation's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the directors; and the overall presentation of the financial statements.

#### Opinion on financial statements

In our opinion, the financial statements:

- give a true and fair view of the state of the company's affairs as at 31 December 2011 and of its profit for the year then ended;
- have been properly prepared in accordance with the United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

#### Opinion on other matter prescribed by the Companies Act 2006

In our opinion the information given in the Annual Report for the financial year for which the financial statements are prepared is consistent with the financial statements. The Annual Report comprises only the Directors' report, President's statement and the Chairmen's reports.

#### Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

#### **BRITISH ALLIED TRADES FEDERATION**

#### NOTES TO THE ACCOUNTS

#### YEAR ENDED 31 DECEMBER 2011

#### 1. ACCOUNTING POLICIES

#### 1.1 Basis of Accounting

The accounts are prepared under the historical cost convention, modified to include the revaluation of freehold property and investments, and in accordance with applicable accounting standards. The Directors continue to adopt the going concern basis of accounting based on the cash balance, significant investment portfolio and stable membership base.

#### 1.2 Cash Flow

The company has taken advantage of the exemption in Financial Reporting Standard No.1 from the requirement to produce a cash flow statement on the grounds that it is a small company.

#### 1.3 Fixed Assets

The Federation owns a silver collection, badges, maces and regalia, the cost of which is written off in the year of acquisition. Tangible fixed assets are stated at cost or valuation less depreciation. Depreciation is calculated to write off the cost or valuation of tangible fixed assets, less their estimated residual values over their expected useful lives on the following bases:

No depreciation has been provided on freehold land.

The directors have taken advantage of the transitional arrangements of Financial Reporting Standard No.15 and have retained the brought forward valuations of freehold land and buildings.

#### 1.4 Investments

Listed investments are recorded at market value. The excess over cost is credited to the revaluation reserve. Unlisted investments are held at cost less any provision for permanent diminution in value.

#### 1.5 Turnover

Turnover represents the total amount receivable for membership subscriptions and services provided exclusive of Value Added Tax.

#### 1.6 Deferred Tax

Full provision is made for deferred tax assets and liabilities arising from all timing differences between the recognition of gains and losses in the financial statements and recognition in the tax computation. Deferred tax is not provided on timing differences arising from the revaluation of fixed assets and investments in the financial statements. A net deferred tax asset is recognised only if it can be regarded as more likely than not that there will be suitable taxable profits from which the future reversal of the underlying timing differences can be deducted. Deferred tax assets and liabilities are calculated at the tax rates expected to be effective at the time the timing differences are expected to reverse. Deferred tax assets and liabilities are not discounted.

#### 1.7 Pensions

The Federation contributes to a defined contribution group personal pension plan for members of staff, contributions being charged against profits as incurred.

#### 1.8 Government Grants

Government grants are credited to the profit and loss account as and when receivable.

#### 1.9 Foreign Currency Transactions

Transactions in foreign currencies are translated into sterling at the rate of exchange ruling on the date when the transaction occurred

#### 1.10 Operating Leases

Rentals payable under operating leases, where substantially all of the benefits and risks of ownership remain with the lessor, are charged to the profit and loss account as incurred.

#### 1.11 Other Operating Income

Other operating income represents rents and fees on a receivable basis.

#### 2. TURNOVER AND OPERATING LOSS

#### 15. OTHER FINANCIAL COMMITMENTS

There was capital expenditure contracted for at 31 December 2011 amounting to £13,663 (2010: £12,500).

There is an outstanding claim against the BJGF for dilapidations to a building which was the BJGF office. The Directors have been advised that the amount payable cannot be reliably estimated as required by Financial Reporting Standard No. 12 (Provisions, Contingent Liabilities and Contingent Assets) and consequently no provision has been made in these accounts. However, the Directors can confirm that the maximum amount that could be payable can be met from the Federations funds and would not affect the ongoing operations of the Federation. Negotiations to resolve this matter are ongoing.

#### 16. OPERATING LEASES

At 31 December 2011 the Federation had annual commitments under non-cancellable operating leases of office equipment amounting to £5,841 (2010: £3,758) expiring between two and five years.
