## Freedom of Information Act 2000 Request

You asked for the following information from the Government Legal Department (“the Department”):

“Your unclaimed estates list shows that John Stratton died in Westminster on 19th October 1993, however I am unable to locate a death registration in the Westminster Registration district for him in that quarter or the next.

There appears to be a possible death registration in Lambeth (next to Westminster) in the first quarter of 1994.

Would you be able to confirm the location of his death registration so that I can begin the investigations.”

Your request will be dealt with by the Bona Vacantia Division (“the Division”) under the Freedom of Information Act 2000.

The Division holds all the information that you have requested.

The deceased died in Lambeth.

The Division takes steps to ensure that the list remains as accurate as reasonably possible but, unfortunately, errors do occur. It seems that the information provided was incorrect and it will shortly be amended. I am sorry for any inconvenience caused.
