Dear

**Request for Information**

Thank you for your email dated 27 February 2015 requesting information on the Enviro 21 business park, Hastings. For ease of reference your request is below:

*I would like to see the business case (including the benefit:cost ratio calculation) for the Enviro 21 business park in Hastings. It was funded by SEEDA, which I appreciate no longer exists, but I tried to get the information from the Dept of Business Innovation and Skills and they told me they didn't hold it but that the Homes and Communities Agency might be able to provide it.*

**Information not held**

We have now had the opportunity to investigate your request and writing to confirm that we do not hold the information you have requested. We have searched our records, including the Regional Development Agency Transfer schedule and no contingent assets or liabilities were transferred to us in relation to this mater.

Assets within Hastings and Bexhill Renaissance Ltd (HBRL) or associated Special Purpose Vehicles remained insitu with the intention that partners would continue with the regeneration of the area.

The key partner was Hastings Borough Council and they may hold information or know how to access it within the current delivery arrangements. Their contact details are below:
