PATENTS ACT 1977

IN THE MATTER OF The Marley Roof Tile  
Company Limited (United Kingdom)'s  
Patent No 2101984

and

IN THE MATTER OF an action by the  
Comptroller for revocation thereof

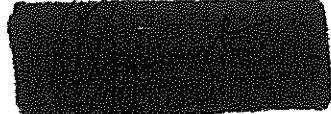

FINAL DECISION

On 17 September 1991 I issued an interim decision allowing the patentees six weeks within which to submit further amendments to meet a finding that the present patent and the equivalent European Patent (UK) no 0069586 B had been granted for the same invention. The time limit was subsequently extended to 12 November 1991 in an official letter dated 4 November. I also indicated in the interim decision that in the absence of suitable amendments I would order revocation of the present patent.

No amendments have been received and accordingly I hereby order the revocation of patent no 2101984.

Dated this 28 day of NOVEMBER, 1991
