Dear

**Request for Information**

Thank you for your email dated 11 November 2014 requesting information the Homes and Communities Agency (HCA) staff structure and salaries. For ease of reference your request is below:

*Please provide details of the salary structure for the Homes and Communities Agency showing the number of posts at each pay scale point or range broken down by team or department and position name from lowest grade spine point to the highest grade spine point?*

The HCA publishes junior and senior staff salary data on our website [here](#). However, we have also attached this information alongside this letter for ease. For staff earning over £100,000 per annum their names and job titles are provided. All other salaries are provided in an anonymised format.

We are also able to provide you with our staff structure which is also in an anonymised format. However, in line with guidance on transparency, we have created a list of more senior members of staff (any post at Head of Level or above) to identify them by name.

If you have any questions regarding this response or any further queries you can contact us at the following addresses and quote your unique reference number found at the top of this letter:
