Dear [REDACTED]

Thank you for your email of 13th July 2015, about the presence of part of the former Government Oil Pipeline at The Plough, Portsmouth Road, Bursledon, Southampton SO31 8BT. It has been handled as a request for information in accordance with the Freedom of Information (FOI) Act 2000; details are as follows:

We are aware that there is a Government Oil Pipeline at the above premises. Please can you provide us with a plan of its location?

The Ministry of Defence (MOD) no longer holds the information you have requested. This is because the Government Pipeline and Storage System was recently sold to a private company, CLH Pipeline Systems (CHL-PS). All related information, including location plans, was transferred to the company.

Should you wish to contact CHL-PS direct regarding your request, the general enquiries telephone number is 0845 070 1245 and the email address is clhpipelinesystem@fishergerman.co.uk.

If you are not satisfied with this response or you wish to complain about any aspect of the handling of your request, then you should contact me in the first instance. If informal resolution is not possible and you are still dissatisfied then you may apply for an independent internal review by contacting the Deputy Chief Information Officer, 2nd Floor, MOD Main Building, Whitehall, SW1A 2HB (e-mail CIO-FOI-IR@mod.uk). Please note that any request for an internal review must be made within 40 working days of the date on which the attempt to reach informal resolution has come to an end.

If you remain dissatisfied following an internal review, you may take your complaint to the Information Commissioner under the provisions of Section 50 of the Freedom of Information Act. Please note that the Information Commissioner will not investigate your case until the MOD internal review process has been completed. Further details of the role and powers of the Information Commissioner can be found on the Commissioner's website, <http://www.ico.gov.uk>.
