

Environment Agency permitting decisions

Part surrender

We have decided to accept the surrender of part of the permit for Winterton North Landfill operated by Integrated Waste Management Limited.

The permit number is EPR/QP3539XL.

We are satisfied that the necessary measures have been taken to avoid any pollution risk and to return the site to a satisfactory state.

We consider in reaching that decision we have taken into account all relevant considerations and legal requirements.

Purpose of this document

This decision document:

- explains how the operator's application has been determined;
- provides a record of the decision-making process; and
- shows how all relevant factors have been taken into account.

Structure of this document

- Annex 1 the decision checklist.

Annex 1: decision checklist

This document should be read in conjunction with the Duly Making checklist, the application and supporting information and permit/notice.

Aspect considered	Justification / Detail	Criteria met
		Yes
Receipt of submission		
Confidential information	A claim for commercial or industrial confidentiality has not been made.	✓
Identifying confidential information	We have not identified information provided as part of the application that we consider to be confidential. The decision was taken in accordance with our guidance on commercial confidentiality.	✓
The permit conditions		
Changes to permit conditions	The permit conditions have changed as a result of the partial surrender. We have updated the site plan at schedule 2 with a plan showing the revised permitted area.	✓
The site		
Extent of the surrender application	The operator has provided a plan showing the extent of the part of the site of the facility that is to be surrendered. We consider this plan to be satisfactory.	✓
Pollution risk	We are satisfied that the necessary measures have been taken to avoid a pollution risk resulting from the operation of the regulated facility. No waste disposal operations have taken place within the part of the site to be surrendered.	✓
Satisfactory state	We are satisfied that the necessary measures have been taken to return the site of the regulated facility to a satisfactory state. As no waste disposal operations have taken place in the part of the site to be surrendered, we are satisfied that there has been no change to the condition of the land since the permit was granted.	✓
