Dear

Request for Information

Thank you for your email dated 11 June 2015 requesting information on Registered Providers of social housing (RPs). For ease of reference your request is below:

“Please may I request a list of all the registered social landlords in London and the Home Counties.”

The following is a link to a page on the Homes and Communities Agency’s (HCA) website, which contains a link to a spreadsheet containing a list of all the RPs registered with the HCA: <https://www.gov.uk/government/publications/current-registered-providers-of-social-housing>. Please note that we do not collect this information in a way which allows us to filter the information to show the RPs for just within London and the Home Counties. However the spreadsheet does provide the registered address for each RP, and so you can identify from the spreadsheet the RPs that would fall within the scope of your request.

If you have any questions regarding this response or any further queries you can contact us at the following addresses and quote your unique reference number found at the top of this letter:
