Please do not reply directly to this email, replies are routed to an unmonitored mailbox. If you have any queries, please reply to the address at the bottom of this message where it will be passed to the correct person.

Dear [REDACTED]

Thank you for your enquiry to the Highways England Contact Centre about A12 PEIR TERRACE TEMP BARRIER. Your enquiry has been passed to me for reply. Amey is Highways England's Asset Support Contractor for the East of England with responsibility for managing and maintaining trunk roads and motorways on their behalf.

Our next inspection of this location is planned for 20/8/15. One of our inspectors will assess the location and if we need to take action to maintain road user safety we will arrange this. If we assess the location as being safe we will continue to monitor the location and if we identify future works are needed we will add these to our annual scheduled works programme.

Thank you for contacting the Highways England Customer Contact Centre. For more information about Highways England, including Traffic Information, please visit www.highways.gov.uk

Yours sincerely

[REDACTED]
