Thanks – I agree with the approach you set out.

[REDACTED] – please can you confirm that HRDD are willing to take this on?

[REDACTED] – I think this is probably more for HRDD to coordinate with the MOJ, given that it is about the provision of justice internationally rather than the specific Saudi Arabia/Gulf contracts [REDACTED]

[REDACTED] Having said that, given our broader interest [REDACTED]

[REDACTED] I'd be keen to feed in and/or attend any meetings if that would be helpful.

Many thanks,

Please see attached correspondence from [REDACTED] (No.10) to [REDACTED] (MoJ) about JSi. Grateful for advice from desk, we would like to put this letter and your advice to the Foreign Secretary next week (he is travelling but will be able to receive some papers, albeit on a much slower turnaround).

Many thanks

Kind regards

Can you clear through Jane tomorrow as I'm away and I won't have a chance to look this evening?

[Jane and I are both away on Monday so will need to be Friday I think].

Thanks

I entirely agree with [REDACTED] and with you. It is only by engagement that we will succeed in encouraging change. The Embassy will of course monitor the project as it proceeds.

[REDACTED] is there any of this that you'd like to see in the FS draft letter? If so, would you be able to add the relevant bits in, or highlight the particular points please in [REDACTED]'s email?

Thank you!

Dear All – as you may be aware, the Ministry of Justice have proposed to disband Just Solutions International (JSI). Cabinet Office have just informed me that JSI operate across the Gulf (aside from Kuwait); please see the attached table of activities.

Thanks in advance,
