Title: Regional Growth Funding paid to SeaChange

Date of release: 11 March 2015

Information request

SeaChange Sussex was awarded £5.5m in round 3 of the Regional Growth fund in 2012, to pay for infrastructure development at the [North Queensway Innovation Park in Hastings](#): (see middle of p2).

I would like to know whether the £5.5m has actually been paid to SeaChange, as no development of the site has taken place.

Information released

I can confirm that the Department holds the information you have requested and that, to date, no money from the Regional Growth Fund has been paid to Sea Change Sussex.
