**PATENTS ACT 1977**

IN THE MATTER OF an application under  
Section 13(1) by John Arthur Wrigglesworth  
in respect of Patent Application No GB 2279236  
in the name of Zeneca Limited

01182/96

**DECISION**

Form 7/77 filed for this patent application named one inventor: Mr John Reed. Accordingly, this was the only inventor's name to appear on the published application.

Mr Wrigglesworth has now applied to be mentioned as inventor in accordance with Section 13(1) of the Act.

Zeneca Limited and Mr Reed have each confirmed in writing that they support Mr Wrigglesworth's request to be named as a co-inventor. I therefore conclude that all relevant parties agree that Mr Wrigglesworth was a joint inventor.

Accordingly, I direct that John Arthur Wrigglesworth should be mentioned as joint inventor in any patent granted for the invention. I also direct, in accordance with Rule 14(5), that an addendum slip mentioning him as an inventor be prepared for the published application for the patent.

Signed this 15 day of November 1996
