

## Erratum Notice

### Enquiries about results for GCSE and A Level: Summer 2014 exam series

Some inaccuracies in the data had come to light in our publication **Enquiries about results for GCSE and A Level: Summer 2014 exam series**. The inaccuracies were due to some errors in the data provided by an exam board.

This affected:

- Report and tables contained within the report: including references and commentary about qualification grade changes
- Table 2 to Table 8 in the appendix of the report as well as in the separate Excel file.

The corrected version of the data has been reported in the revised summer 2015 exam series release of the publication on 31 March 2016. We apologise for any confusion caused as a result.
