The Department for International Development (DFID) holds information relevant to your request. This information is exempt from disclosure under Section 21 (1) (Information accessible to the applicant by other means) of the Freedom of Information Act 2000 as it is already accessible to you.

The DFID annual publication [‘Statistics on International Development’ \(SID\)](#) contains detailed information on spending across the UK Government on international development through Official Development Assistance (ODA) programmes. This includes a breakdown of ODA channelled through multilateral organisations such as the EU.

You may find table C1 in the most recent publication helpful as this shows the [UK Net ODA from 1970 to 2013](#) and [table A11](#) shows the UK ODA by Multilateral Organisation.
