Information request

Under the Freedom of Information Request Act 2000, can you please answer the following questions regarding your organisations current Security & Fire products and services.

- 1. Does your organisation currently have a contract for Security alarms, CCTV & Fire detection?*
- 2. When this contract(s) is due to end?*
- 3. Who are these contract(s) with?*
- 4. How many devices are supplied and what manufacturer are they?*
- 5. Were these items purchased using procurement framework, if so which framework was used?*
- 6. When does your organisation intend to tender for these services?*

Response

The Social Security Advisory Committee does not have any contracts of this nature. The Committee is an independent non-departmental public body sponsored by the Department for Work and Pensions which arranges our accommodation and associated services.
