Data Protection Act 1998

Information provided will be used for the processing of your application. Details will be held in our computer system and may be used to compile statistics on activity in your sector for submission to the EC Commission and for administrative purposes. In emergency situations, such as a pest outbreak information (including the location of licenced material) may be used by other divisions within APHA, DEFRA and other Government Departments or their appointed agents. APHA may be required to release information, including personal data and commercial information, on request under the Environmental Information Regulations, the Code of Practice on Access to Government Information or the Freedom of Information Act 2000. However, APHA will not permit any breach of confidentiality nor will we act in contravention of our obligations under the Data Protection Act 1998.

APHA, Defra or its appointed agents may use the name, address and other details on your application form to contact you in connection with occasional customer research aimed at improving the services that APHA provides to you.
