From George Eustice MP

Minister of State for Farming, Food and Marine Environment

Dear [REDACTED]

Approval for the use of Cruiser (thiamethoxam) on outdoor carrot

Thank you for your letter (also signed by [REDACTED]) of 8 February.

I note the points that you make about the importance and urgency of this application. I understand that CRD accepted the application for an extension of authorisation for minor use of Cruiser 70WS on carrots on 9 February. They are conducting the necessary assessment and expect to be able to notify the applicant (AHDB) of their decision in the next few days.

GEORGE EUSTICE MP
