RO35/2015

Dear Responsible Officer

Calendar of known data requests 2015

We attach a calendar of known data requests for 2015.

The calendar contains those requests that we are aware of at this time. In the event that there are other data requests during 2015, for which we currently cannot plan, we will do our utmost to ensure that such requests are not unduly burdensome and adequate notice is given.

We use the calendar to review our data requests and to help us fulfil our duty not to impose undue burden, and we hope it will assist you in managing your resources. The calendar provides a short explanation for each request – setting out the reasons for the request, and whether we intend to publish the results of any subsequent analysis.

If you have any specific queries relating to data requests please feel free to contact me at data@ofqual.gov.uk.

Yours sincerely

Alison Fisher
