- The Health Foundation (2015), Building the foundations for improvement
- The King's Fund (2015), Better value in the NHS

Expediting discharge

- BMA Patient Liaison Group (2014), Hospital discharge: the patient, carer and doctor perspective
- Carter PR (2016) Operational Productivity and Performance in English NHS Acute Hospitals: Unwarranted Variations
- Doncaster and Bassetlaw Hospitals NHS Foundation Trust, Staff develop and implement computer systems to track patients' progress
- ECIP Quick Guide (2016), Red and Green days
- Monitor (2015), Moving healthcare closer to home case studies: Enabling early discharge
- The Health Foundation (2015), Building the foundations for improvement
- The Ipswich Hospital NHS Trust and Eastern Academic Health Science Network (2016), Introducing a patient flow bundle to improve discharge at Ipswich Hospital
- The Mid Yorkshire Hospitals NHS Trust (2014), Planning for leaving hospital what to expect

Reduce waste in clinicians' time

- Hallsworth, M. et al (2015), Stating Appointment Costs in SMS Reminders Reduces Missed Hospital Appointments: Findings from Two Randomised Controlled Trials
- Martin, S. (2012), Commitments, norms and custard creams – a social influence approach to reducing did not attend (DNAs)
- National Audit Office (2014), NHS waiting times for elective care in England

- Neal, R. et al (2005), Reasons for and consequences of missed appointments in general practice in the UK: questionnaire survey and prospective review of medical records
- NHS England (2014), NHS England using technology to beat cost of missed appointments
- NHS Institute for Innovation and Improvement (2008), DNAs – Reducing Did Not Attends
- NHS Modernisation Agency (2004), 10 High Impact Changes for Service Improvement and Delivery
- South Tees Hospitals NHS Foundation Trust (2015), Patients urged not to miss appointments
- The Health Foundation (2015), Behavioural insights in health care: Nudging to reduce inefficiency and waste

Plan elective care better

- European Observatory on Health Systems and Policies (2007), Day Surgery: making it happen
- NHS Modernisation Agency (2004), 10 High Impact Changes for Service Improvement and Delivery
- The King's Fund (2015), Better value in the NHS
- The King's Fund (2015), Day case surgery: a good news story for the NHS
- Toftgaard, C. (2012), Day Surgery Activities 2009 – International Survey on Ambulatory Surgery conducted 2011

Better planning of non-elective pathways

- Ambulatory Emergency Care Network (2012), Integrated Care in Action – Whittington Health
- Ambulatory Emergency Care (2014), Directory of Ambulatory Emergency Care for Adults
- NHS England (2015), Transforming Urgent and Emergency Care Services in England – Improving referral pathways between urgent and emergency services in England
- Royal College of Physicians (2014), Acute care toolkit 10: Ambulatory emergency care
- The Health Foundation and the Nuffield Trust (2013), Focus on preventable admissions
- The King's Fund (2012), Emergency hospital admissions for ambulatory care-sensitive conditions: Identifying the potential for reductions

Better coordination between demand and capacity

- Ahmad, A. et al (2011), The impact of twice-daily consultant ward rounds on the length of stay in two general medical wards
- Carter PR (2016) Operational Productivity and Performance in English NHS Acute Hospitals: Unwarranted Variations
- Frontline Consultants, Managing Capacity and Demand: There is a better way
- National Audit Office (2013), Managing NHS hospital consultants

- NHS Institute for Innovation and Improvement (2005), Improvement Leaders' Guide – Matching capacity and demand
- The Health Foundation (2013), Improving patient flow

Skill mix

- Dornan, T. (2009), An in depth investigation into causes of prescribing errors by foundation trainees in relation to their medical education.
- Graham, L. (2014), An Evaluation Of The Error Rate Of An Independent Prescribing Pharmacist Service On The Surgical Day Unit
- Latter, S. et al (2010), Evaluation of nurse and pharmacist independent prescribing
- Nuffield Trust (2015), Facing future challenges: do changes in skill mix offer some solutions?
- O'Brien, N. et al (2014), Pilot of a Pharmacist Independent Prescriber in Orthopaedic Admissions suite (OAS) to support the Enhanced Recovery After Surgery (ERAS) project for patients undergoing Hip and Knee replacement Surgery and to reduce length of stay

Sickness absence

- Audit Commission (2011), Managing sickness absence in the NHS
- CIPD (2014), Absence Management
- NHS Employers (2012), Sickness absence - early intervention pilot
- NHS Employers (2014), Reducing sickness absence in the NHS using evidence-based strategies
- NHS Employers (2016), Rapid access to treatment and rehabilitation for NHS staff
- Office for National Statistics (2014), Sickness absence in the labour market: February 2014
- Personal Social Services Research Unit (2015), Unit Costs of Health & Social Care 2015
