

Information Released under Freedom of Information Act

Subject: Request for recycling/waste support and maintenance contract details

Date Released: 17 August 2015

Summary of request: The enquirer requested recycling/waste support and maintenance contract details

Information Released

The various Companies House recycling, waste support and maintenance contracts have been inserted in the table below and your questions have been answered in the same order as your email.

1. The contracts are Total Facilities Management Contracts (TFM) managed by UK SBS (Shared Business Services).
2. The supplier is UK SBS
3. I am unable to provide the annual average spend separately for each of the contracts, but for the financial year 2014-2015 the average spend for all the waste streams combined was £9453.25
4. A brief description of each contract has been inserted in the table below.
5. The contract duration is 4 years 7 months.
6. The start date of each contract is 1 July 2012
7. The expiry date of each contract is 28 February 2017.
8. As the contracts are not Companies House contracts we are unable to advise when it will be reviewed.
9. The contact details for UK SBS is procurement@uksbs.co.uk
