

Impact Assessment – Section 9 Academies Act Duty: Akaal Primary School

School name	School type & characteristics	Capacity Basic need within the school planning area for rec places is zeros for the next 5 years shortfall	KS2 2014 (% achieving level 4 or above in Reading, Writing, Mathematics Derby Av = 77% England Av = 79%)	Ofsted grade	Impact rating (High, Moderate, Minimal)
Village Primary School	3-11 age range Mixed Non-faith Community School Distance from free school site 0.2 miles	The school has a capacity of 525 places but is oversubscribed by 10 places (1.9% of the total school). There are no surplus places at reception entry point.	Above national and LA averages with 84% of pupils achieving level 4 or above in the reading and mathematics test and writing teacher assessment in 2014.	Good at 03/10/12	Minimal Although located only 0.2 miles away, the school is oversubscribed and has no surplus places at entry point. Attainment is above both the LA and National averages and the recent Ofsted judgment was "good". Therefore this school is likely to remain popular with parents and therefore the impact of opening Akaal Primary School is expected to be minimal.
Pear Tree Infant School	5-7 age range Mixed Non-faith Community School Distance from free school site 0.7 miles	The school has a capacity of 258 places but is oversubscribed by 12 places (5% of the total school). There are no surplus places at reception entry point.	No key stage 2 data available (5 to 7 age group only).	Good at 22/11/12	Minimal The school is oversubscribed and has no surplus places at reception entry point. There is no KS2 attainment data as the age group is only 5-7 but the Ofsted judgment was "good". Therefore this school is likely to remain popular with parents and therefore the impact of opening Akaal Primary School is expected to be minimal.
Pear Tree Community Junior School	7-11 age range Mixed Non-faith Community School Distance from free school site 0.7 miles	The school has a capacity of 360 places with an overall surplus of 17 places (5% of the total school). 8 surplus places are at reception entry point.	Well below both the national and LA averages with 58% of pupils achieving level 4 or above in the reading and mathematics test and writing teacher assessment in 2014.	Requires Improvement at 13/11/14	Moderate The school has a surplus of 17 places overall with 8 at reception entry point. This school's attainment is lower than both the National and LA averages and their latest Ofsted rating judgment was "Requires Improvement". Therefore opening the Akaal School may have a moderate impact on this school until its performance improves. However this impact may not materialise as Akaal will not have Year 3 pupils until 2017.
