4 August 2015

Dear [REDACTED],

Thank you for your email dated 24 July 2015 requesting the following information:

*"Please can you tell me the amount of accidental deaths, and death by suicide that has happened at RAF BENSON from the year 1989 until 2014."*

I am treating your correspondence as a request for information under the Freedom of Information Act 2000 (FOIA).

A search for the information has now been completed within the Ministry of Defence, and I can confirm that the information in scope of your request is held.

Between 1 January 1989 and 31 December 2014, **two** UK Armed Forces personnel have died as result of a coroner confirmed suicide or open verdict at RAF Benson. **No** UK Armed Forces personnel have died as a result of accidents at RAF Benson in the same time period.

Defence Statistics (Health) compiles the Department's authoritative deaths database for all **UK Armed Forces personnel who died whilst in Service** going back to 1984. Information is compiled from several internal and external sources from which we release a number of internal analyses and external National Statistics Notices.

The statistics provided include both coroner-confirmed suicides and open verdict deaths, in line with the definition used by the Office for National Statistics (ONS), since research has shown that these deaths share many similarities with suicides except that in the case of open verdict deaths, the intention of the deceased to take their life has not been sufficiently proven to the satisfaction of the coroner.

If you are not satisfied with this response or you wish to complain about any aspect of the handling of your request, then you should contact me in the first instance. If informal resolution is not possible and you are still dissatisfied then you may apply for an independent internal review by contacting the Information Rights Compliance team, 1<sup>st</sup> Floor, MOD Main Building, Whitehall, SW1A 2HB (e-mail [CIO-FOI-IR@mod.uk](mailto:CIO-FOI-IR@mod.uk)). Please note that any request for an internal review must be made within 40 working days of the date on which the attempt to reach informal resolution has come to an end.

If you remain dissatisfied following an internal review, you may take your complaint to the Information Commissioner under the provisions of Section 50 of the Freedom of Information Act. Please note that the Information Commissioner will not investigate your case until the MOD internal review process has been completed. Further details of the role and powers of the Information Commissioner can be found on the Commissioner's website, <https://ico.org.uk/>.

Yours sincerely

Defence Statistics (Health)
