

Impact Assessment – Ark Byron Primary Academy

The table below details the potential impact on the 10 primary schools within a one-mile radius (the average distance travelled by pupils to primary schools for the area) of the proposed free school.

| School name | Type | Faith | Distance from FS (miles) | Capacity (May 2014) | Number of surplus places (May 2014) | Surplus at point of entry year (2013/14) | Attainment 2014 | Insp. rating | Insp. date | Impact judgement |
|----------------------------|---------------------|-------|--------------------------|---------------------|-------------------------------------|--|------------------------------|-----------------|-----------------|---|
| ARK Priory Primary Academy | Academy Sponsor Led | None | 0.3 | 420 | 360 (opened in 2013) | 0 | No KS2 data (opened in 2013) | No Ofsted grade | No Ofsted grade | Moderate – Given its proximity to the new school, the new free school may have an impact on its long-term viability by attracting pupils who would have attended. |
| East Acton Primary School | Community School | None | 0.4 | 264 | 3 | 0 | 61% | Good | 7-Mar-2013 | Moderate – Given the school has well below average attainment, the new free school may have an impact on its long-term viability by attracting pupils who would have attended. |
| Southfield Primary School | Community School | None | 0.4 | 510 | 31 | 2 | 81% | Good | 7-Mar-2014 | Moderate – As a school with surplus places and average attainment, the new free school may have an impact on its long-term viability by |

| School name | Type | Faith | Distance from FS (miles) | Capacity (May 2014) | Number of surplus places (May 2014) | Surplus at point of entry year (2013/14) | Attainment 2014 | Insp. rating | Insp. date | Impact judgement |
|-----------------------------|------------------|-------|--------------------------|---------------------|-------------------------------------|--|--------------------------------|--------------|-------------|--|
| | | | | | | | | | | attracting pupils who would have attended. |
| Derwentwater Primary School | Community School | None | 0.5 | 658 | 6 | 2 | 79% | Good | 19-Jan-2012 | Minimal – The school has just below average attainment but is rated Good and has low surplus places. The new school is therefore unlikely to affect its long-term viability by attracting pupils who would have attended. |
| Wendell Park Primary School | Community School | None | 0.5 | 420 | 4 | 3 | 80% | Good | 18-Jan-2013 | Minimal – As a Good school with just below average attainment and only small surplus places, the free school is unlikely to affect the long-term viability of the school by attracting pupils who would have attended. |
| Berrymede Infant School | Community School | None | 0.6 | 352 | 60 | 20 | No KS2 data (highest age < 11) | Good | 18-Oct-2011 | Moderate – With large numbers of surplus places, the new free school may have an impact on its long-term viability by attracting pupils who would have attended. |

| School name | Type | Faith | Distance from FS (miles) | Capacity (May 2014) | Number of surplus places (May 2014) | Surplus at point of entry year (2013/14) | Attainment 2014 | Insp. rating | Insp. date | Impact judgement |
|--------------------------------------|------------------------|----------------|--------------------------|---------------------|-------------------------------------|--|-----------------|--------------|-------------|--|
| Good Shepherd RC Primary School | Voluntary Aided School | Roman Catholic | 0.7 | 240 | 7 | 0 | 97% | Outstanding | 28-Mar-2014 | Minimal – As an Outstanding school with well above average attainment, small surplus places and a Roman Catholic designation, the free school is unlikely to affect its long-term viability by attracting pupils who would have attended. |
| Berrymede Junior School | Community School | None | 0.7 | 413 | 53 | -2 | 74% | Outstanding | 5-Jun-2008 | Moderate – As a school with high surplus places, the new free school may have an impact on its long-term viability by attracting pupils who would have attended. |
| St Vincent's Catholic Primary School | Voluntary Aided School | Roman Catholic | 0.7 | 450 | -2 | 0 | 90% | Good | 3-Jul-2014 | Minimal – As a Good school with above average attainment, no surplus places and a Roman Catholic designation, the free school is unlikely to affect its long-term viability by attracting pupils who would have attended. |

| School name | Type | Faith | Distance from FS (miles) | Capacity (May 2014) | Number of surplus places (May 2014) | Surplus at point of entry year (2013/14) | Attainment 2014 | Insp. rating | Insp. date | Impact judgement |
