28 January 2015

Dear [REDACTED]

Thank you for your email of 22 December 2014 and follow-up clarification on 5 January, requesting the following information:

"To clarify on the wording of part b) of my request - I would like to know the total number of staff who benefited from spending on education, regardless of whether or not they were directly given money to pay for fees. I would be grateful if you could contact me if you require any clarification, under your section 16 duty provide advice and assistance.

I have copied my request below.

I'm writing to request information about money spent on school fees under the Continuity of Education allowance in 2013-2014 (and 2014-15 if available).

a) The amount of money (in allowances or expenses or specifically allocated in salaries) spent for staff to pay, in full or in part, for their children's education.

Please break this down into money spent on children in UK schools and children educated at posts overseas. (if applicable)

b) The number of staff who benefited from spending (in allowances or expenses or specifically allocated in salaries) to pay, in full or in part, for their children's education.

c) The number of children who benefited from the Continuity of Education allowance.

d) The names and locations of schools attended by children funded under the Continuity of Education allowance (in full or in part)".

I am treating your correspondence as a request for information under the Freedom of Information Act 2000 (FOIA).

A search for the information has now been completed within the Ministry of Defence (MOD), and the answers are provided below in the order in which they have been asked:

The amount of money (in allowances or expenses or specifically allocated in salaries) spent for staff to pay, in full or in part, for their children's education.

Financial Year (FY)	Total Expenditure	Distinct Personnel (paid out)	Distinct Children
13/14	£80,658,711	4,088	6,015
14/15*	£55,376,278	3,635	5,341

* This data is only up to December 2014 and is not the complete FY.

It may be helpful if I explain that the total expenditure per FY, has been calculated based on the month it was paid out and not on school term dates.

Please break this down into money spent on children in UK schools and children educated at posts overseas (if applicable).

I can confirm that all Continuity of Education allowance payments were spent on children in UK private schools.

I would like to know the total number of staff who benefited from spending on education, regardless of whether or not they were directly given money to pay for fees.

Please see the above table.

The number of children who benefited from the Continuity of Education allowance.

Please see the above table.

The names and locations of schools attended by children funded under the Continuity of Education allowance (in full or in part).

The information requested can be found in the attached document.

Schools_List.pdf

If you are not satisfied with this response or you wish to complain about any aspect of the handling of your request, then you should contact me in the first instance. If informal resolution is not possible and you are still dissatisfied then you may apply for an independent internal review by contacting the Information Rights Compliance team, 1st Floor, MOD Main Building, Whitehall, SW1A 2HB (e-mail CIO-FOI-IR@mod.uk). Please note that any request for an internal review must be made within 40 working days of the date on which the attempt to reach informal resolution has come to an end.

If you remain dissatisfied following an internal review, you may take your complaint to the Information Commissioner under the provisions of Section 50 of the Freedom of Information Act. Please note that the Information Commissioner will not investigate your case until the MOD internal review process has been completed. Further details of the role and powers of the Information Commissioner can be found on the Commissioner's website, <http://www.ico.gov.uk>.

Yours sincerely,

[REDACTED]
