---

Dear [redacted]

Thank you for your recent request to the Oil and Pipelines Agency (OPA) for information about companies awarded contracts in Scotland. It has been handled in accordance with the Freedom of Information (FOI) Act 2000; the details are as follows:

*I am requesting the names of the companies that were awarded contracts less than £100,000 on Scottish OPA sites in the last four years.*

On 1<sup>st</sup> May 2015, you clarified that you wish to receive the information by calendar year rather than by financial year. I am now writing to provide you with a substantive response.

A search of OPA and Ministry of Defence (MOD) records has been carried out and I can confirm that some of the requested information is held; this is provided in the table at Annex A. However, information pre-dating 2013 is no longer held and so cannot be provided.

If you are not satisfied with it or you wish to complain about any aspect of the handling of your request, then you should contact me in the first instance. If informal resolution is not possible and you are still dissatisfied then you may apply for an independent internal review by contacting the Information Rights Compliance team, 1<sup>st</sup> Floor, MOD Main Building, Whitehall, SW1A 2HB (e-mail [CIO-FOI-IR@mod.uk](mailto:CIO-FOI-IR@mod.uk)). Please note that any request for an internal review must be made within 40 working days of the date on which the attempt to reach informal resolution has come to an end.

If you remain dissatisfied following an internal review, you may take your complaint to the Information Commissioner under the provisions of Section 50 of the Freedom of Information Act. Please note that the Information Commissioner will not investigate your case until the MOD internal review process has been completed. Further details of the role and powers of the Information Commissioner can be found on the Commissioner's website, <http://www.ico.org.uk>
