Freedom of Information Act 2000 Request

You asked for the following information from the Government Legal Department (“the Department”):

We have obtained a copy of the death certificate for Violet Hampton relating to the above unclaimed estate, which is attached. The date of death does not agree with the information provided. Please could you provide us with any further information you have regarding the estate.

Your request will be dealt with by the Bona Vacantia Division (“the Division”) under the Freedom of Information Act 2000.

I have interpreted your request to mean that you require the date of death as stated on the death certificate held on our file.

The Division holds all the information that you have requested. The death certificate on file states the date of death to be 19 April 1995 in Weston-super-Mare, County of Avon. The Bona Vacantia Division takes steps to ensure that the list remains as accurate as reasonably possible but, unfortunately, errors do occur. Our records will be amended to reflect the correct date of death.
