(5) Paragraphs (3) and (4) only authorise the carrying out or maintenance of works –

- (a) within the limits of deviation; or
- (b) on land specified in columns (1) and (2) of Schedule 2 (acquisition of certain lands for ancillary works) for the purposes specified in relation to that land in column (3) of that Schedule.

Streets

Stopping up of streets and use of private roads for construction

6.—(1) Subject to the provisions of this article, the Company may, in connection with the construction of the authorised works, stop up each of the streets specified in columns (1) and (2) of Parts 1 and 2 of Schedule 3 (streets to be stopped up) to the extent specified in column (3) of those parts of that Schedule.

(2) No street specified in columns (1) and (2) of Part 1 of Schedule 3 (being a street to be stopped up for which a substitute is to be provided) is to be wholly or partly stopped up under this article unless—

- (a) the new street to be substituted for it, which is specified in column (4) of that Part of that Schedule, has been completed to the reasonable satisfaction of the street authority and is open for use; or

- (b) a temporary alternative route for the passage of such traffic as could have used the street to be stopped up is first provided and afterwards maintained by the Company, to the reasonable satisfaction of the street authority, between the commencement and termination points for the stopping up of the street until the completion and opening of the new street in accordance with sub-paragraph (a).

(3) No street specified in columns (1) and (2) of Part 2 of Schedule 3 (being a street to be stopped up for which no substitute is to be provided) is to be wholly or partly stopped up under this article unless the condition specified in paragraph (4) is satisfied in relation to all the land which abuts on either side of the street to be stopped up.

(4) The condition referred to in paragraph (3) is that—

- (a) the Company is in possession of the land; or

- (c) there is reasonably convenient access to the land otherwise than from the street concerned; or
- (d) the owners and occupiers of the land have agreed to the stopping up.

(5) Where a street has been stopped up under this article—

(7) Any person who suffers loss under this article by either the suspension or extinguishment of any private right of way or the exercise by the Company of the powers conferred under paragraph (6), under this article shall be entitled to compensation to be determined, in case of dispute, under Part 1 of the 1961 Act.

Temporary stopping up and diversion of streets

7.—(1) The Company, during and for the purposes of the construction of the authorised works, may temporarily stop up, alter or divert any street and may for any reasonable time—

PART 3

ACQUISITION OF LAND

Powers of acquisition

Power to acquire land

8.—(1) The Company may acquire compulsorily—

- (a) so much of the land shown on the land plan which is within the limits of deviation as land to be acquired compulsorily and described in the book of reference as may be required for the purposes of the authorised works; and
- (b) so much of the land specified in columns (1) and (2) of Schedule 2 (acquisition of certain lands for ancillary works) being land shown on the lands plan and described in the book of reference as may be required for the purposes specified in relation to that land in column (3) of that Schedule,

and may use any land so acquired for those purposes or for any other purposes ancillary to Phase One purposes.

(2) This article is subject to article 11 (power to acquire new rights).

Application of Part 1 of the Compulsory Purchase Act 1965

9.—(1) Part 1 of the 1965 Act, in so far as not modified by or inconsistent with the provisions of this Order, applies to the acquisition of land under this Order—

- (a) as it applies to a compulsory purchase to which the Acquisition of Land Act 1981(a) applies; and
- (b) as if this Order were a compulsory purchase order under that Act.

(2) Part 1 of the 1965 Act, as applied by paragraph (1), has effect as if section 4 (which provides a time limit for compulsory purchase of land) and paragraph 3(3) of Schedule 3 (which makes provision as to the giving of bonds) were omitted.

(3) In section 11(1B) of the 1965 Act (power to enter on and take possession of land the subject of a notice to treat after giving the specified notice), in a case where the notice to treat relates only to the acquisition of other right over land, for “3 months” substitute “1 month”.

Application of the Compulsory Purchase (Vesting Declarations) Act 1981

10.—(1) The Compulsory Purchase (Vesting Declarations) Act 1981(b) applies as if this Order were a compulsory purchase order.

(2) The Compulsory Purchase (Vesting Declarations) Act 1981, as so applied by paragraph (1), has effect with the following modifications.

(3) In section 3 (preliminary notices) for subsection (1) substitute—

“(1) Before making a declaration under section 4 with respect to any land which is subject to a compulsory purchase order the acquiring authority must include the particulars specified in subsection (3) in a notice which is—

- (a) given to every person with a relevant interest in the land with respect to which the declaration is to be made (other than a mortgagee who is not in possession); and
- (b) published in a local newspaper circulating in the area in which the land is situated.”.

(4) In that section, in subsection (2), for “(1)(b)” substitute “(1)” and after “given” insert “and published”.

(5) In that section, for subsections (5) and (6) substitute—

“(5) For the purposes of this section, a person has a relevant interest in land if—

(a) 1981 c. 67.

(b) 1981 c. 66.

- (a) that person is for the time being entitled to dispose of the fee simple of the land, whether in possession or in reversion; or
- (b) that person holds, or is entitled to the rents and profits of, the land under a lease or agreement, the unexpired term of which exceeds one month.”.
- (6) In section 5 (earliest date for execution of declaration)—
 - (a) in subsection (1), after “publication” insert “in a local newspaper circulating in the area in which the land is situated”; and
 - (b) omit subsection (2).
- (7) Omit section 5A of the 1965 Act.
- (8) In section 7 (constructive notice to treat) in subsection (1)(a), omit “(as modified by section 4 of the Acquisition of Land Act 1981)”.
- (9) References to the 1965 Act are to be construed as references to that Act as applied to the acquisition of land under article 8 (power to acquire land).

Power to acquire new rights

11.—(1) The Company may acquire compulsorily such easements or other rights over any land referred to in paragraph (1) of article 8 (power to acquire land) as may be required for any purpose for which that land may be acquired under that provision, by creating them as well as by acquiring easements or other rights already in existence.

(2) The terms of an easement created under paragraph (1) may include terms imposing a restrictive covenant for the purpose of making the easement effective.

(3) In the case of the land specified in columns (1) and (2) of Schedule 5 (land in which only new rights may be acquired) the Company’s powers of compulsory acquisition are limited to the acquisition of such new rights as may be required for the purpose specified in relation to that land in column (3) of that Schedule.

(4) Subject to section 8 of the 1965 Act (as substituted by paragraph 5 of Schedule 6 (modification of compensation and compulsory purchase enactments for creation of new rights and imposition of restrictive covenants)) where the Company acquires a right over land under paragraph (1) or (2) the Company is not required to acquire a greater interest in that land.

(5) Schedule 6 has effect for the purpose of modifying the enactments relating to compensation and the provisions of the 1965 Act in their application in relation to the compulsory acquisition under this article of a right over land by the creation of a new right.

Compensation

Disregard of certain interests and improvements

12.—(1) In assessing the compensation payable to any person on the acquisition from that person of any land under this Order, the tribunal must not take into account—

- (a) any interest in land; or
- (b) any enhancement of the value of any interest in land by reason of any building erected, works executed or improvement or alteration made on relevant land,

if the tribunal is satisfied that the creation of the interest, the erection of the building, the execution of the works or the making of the improvement or alteration was not reasonably necessary and was undertaken with a view to obtaining compensation or increased compensation.

(2) In paragraph (1) “relevant land” means the land acquired from the person concerned or any other land with which that person is, or was at the time when the building was erected, the works executed or the improvement or alteration made, directly or indirectly concerned.

Set-off for enhancement in value of retained land

13.—(1) In assessing the compensation payable to any person in respect of the acquisition from that person under this Order of any land (including the subsoil) the tribunal must set off against the

value of the land so acquired any increase in value of any contiguous or adjacent land belonging to that person in the same capacity which will accrue to him by reason of the construction of the authorised works.

(2) In assessing the compensation payable to any person in respect of the acquisition from that person of any new rights over land (including the subsoil) under article 11 (power to acquire new rights), the tribunal must set-off against the value of the rights so acquired—

- (a) any increase in the value of the land over which the new rights are required; and
- (b) any increase in value of any contiguous or adjacent land belonging to that person in the same capacity,

which will accrue to him by reason of the construction of the authorised works.

(3) The 1961 Act has effect, subject to paragraphs (1) and (2), as if this Order were a local enactment for the purposes of that Act.

Supplementary

Acquisition of part of certain properties

14.—(1) This article applies instead of section 8(1) of the 1965 Act (as applied by article 9 (application of Part 1 of the Compulsory Purchase Act 1965)) in any case where—

- (a) a notice to treat is served on a person (“the owner”) under the 1965 Act (as so applied) in respect of land forming only part of a house, building or manufactory or of land consisting of a house with a park or garden (“the land subject to the notice to treat”); and
- (b) a copy of this article is served on the owner with the notice to treat.

(2) In such a case, the owner may, within the period of 21 days beginning with the day on which the notice was served, serve on the Company a counter-notice objecting to the sale of the land subject to the notice to treat which states that the owner is willing and able to sell the whole (“the land subject to the counter-notice”).

(3) If no such counter-notice is served within that period, the owner must sell the land subject to the notice to treat.

(4) If such a counter-notice is served within that period, the question whether the owner must sell only the land subject to the notice to treat is, unless the Company agrees to take the land subject to the counter-notice, to be referred to the tribunal.

(5) If on such a reference the tribunal determine that the land subject to the notice to treat can be taken—

- (a) without material detriment to the remainder of the land subject to the counter-notice; or
- (b) in the case of part of the land consisting of a house with a park or garden, without material detriment to the remainder of the land subject to the counter-notice and without seriously affecting the amenity and convenience of the house,

the owner must sell the land subject to the notice to treat.

(6) If on such a reference the tribunal determine that only part of the land subject to the notice to treat can be taken—

- (a) without material detriment to the remainder of the land subject to the counter-notice; or
- (b) in the case of part of land consisting of a house with a park or garden, without material detriment to the remainder of the land subject to the counter-notice and without seriously affecting the amenity and convenience of the house,

the notice to treat is deemed to be a notice to treat for that part.

(7) If on such a reference the tribunal determine that—

- (a) the land subject to the notice to treat cannot be taken without material detriment to the remainder of the land subject to the counter-notice; but
- (b) the material detriment is confined to a part of the land subject to the counter-notice,

the notice to treat is deemed to be a notice to treat for the land to which the material detriment is confined in addition to the land already subject to the notice, whether or not the additional land is land which the Company is authorised to acquire compulsorily under this Order.

(8) If the Company agrees to take the land subject to the counter-notice, or if the tribunal determine that—

- (a) none of the land subject to the notice to treat can be taken without material detriment to the remainder of the land subject to the counter-notice or, as the case may be, without material detriment to the remainder of the land subject to the counter-notice and without seriously affecting the amenity and convenience of the house; and
- (b) the material detriment is not confined to a part of the land subject to the counter-notice,

the notice to treat is deemed to be a notice to treat for the land subject to the counter-notice whether or not the whole of that land is land which the Company is authorised to acquire compulsorily under this Order.

(9) In any case where by virtue of a determination by the tribunal under this article a notice to treat is deemed to be a notice to treat for less land or more land than that specified in the notice, the Company may, within the period of 6 weeks beginning with the day on which the determination is made, withdraw the notice to treat; and if it does so must pay the owner compensation for any loss or expense occasioned to the owner by the giving and withdrawal of the notice, to be determined in case of dispute by the tribunal.

(10) Where the owner is required under this article to sell only part of a house, building or manufactory or of land consisting of a house with a park or garden, the Company must pay the owner compensation for any loss sustained by him due to the severance of that part in addition to the value of the interest acquired.

Extinction or suspension of private rights of way

15.—(1) Subject to the provisions of this article, all private rights of way over land subject to compulsory acquisition under this Order are extinguished—

- (a) as from the date of acquisition of the land by the Company, whether compulsorily or by agreement; or
- (b) on the date of entry on the land by the Company under section 11(1) of the 1965 Act,

whichever is the sooner.

(2) Subject to the provisions of this article, all private rights of way over land owned by the Company and required for the purposes of this Order are extinguished on the appropriation of the land for any of those purposes by the Company.

(3) Any person who suffers loss by the extinguishment of any private right of way under this article is entitled to compensation to be determined, in case of dispute, under Part 1 of the 1961 Act.

(4) Subject to section 13 of the principal Act this article does not apply in relation to any right of way to which section 271 or 272 of the 1990 Act (extinguishment of rights of statutory undertakers etc.)

(5) Paragraphs (1) to (3) have effect subject to—

- (a) any notice given by the Company before—
 - (i) the completion of the acquisition of the land;
 - (ii) the Company's appropriation of it; or
 - (iii) the Company's entry on to it;

that any or all of those paragraphs do not apply to any right of way specified in the notice; and

- (b) any agreement made at any time between the Company and the person in or to whom the right of way in question is vested or belongs.

(6) If any such agreement as is referred to in paragraph (6)(b) —

- (a) is made with a person in or to whom the right of way is vested or belongs; and

- (b) is expressed to have effect also for the benefit of those deriving title from or under that person,

it shall be effective in respect of the persons so deriving title, whether the title, whether the title was derived before or after the making of the agreement.

Time limit for exercise of powers of acquisition

16. After the end of the period of 5 years beginning with the day on which this Order comes into force—

- (a) no notice to treat is to be served under Part 1 of the 1965 Act as applied to the acquisition of land by article 9 (application of Part 1 of the Compulsory Purchase Act 1965); and
- (b) no declaration is to be executed under section 4 of the Compulsory Purchase (Vesting Declarations) Act 1981 as applied by article 22 (application of the Compulsory Purchase (Vesting Declarations) Act 1981).

PART 4

MISCELLANEOUS AND GENERAL

Planning permission

17. Planning permission which is deemed by a direction under section 90(2A) of the 1990 Act to be granted in relation to authorised works is to be treated as specific planning permission for the purposes of section 264(3)(a) of that Act (cases in which land is to be treated as operational land of the purposes of that Act).

Powers of disposal, agreements for operation, etc.

18.—(1) The Company may, with the consent of the Secretary of State, sell, lease, charge or otherwise dispose of, on such terms and conditions as it thinks fit, the whole or any part of the authorised works and any land held in connection with them.

(2) Without limitation on the scope of paragraph (1), the Company may enter into and carry into effect agreements with respect to any of the following matters, namely, the construction, maintenance, use and operation of the authorised works, or any part of them, by any other person, and other matters incidental or subsidiary to or consequential on those matters, and the defraying of, or the making of contributions towards, the cost of those matters by the Company or any other person.

(3) Any agreement under paragraph (2) may provide, amongst other things, for the exercise of the powers of the Company in respect of the authorised works or any part of them, and for the transfer to any person of the authorised works or any part of them together with the rights and obligations of the Company in relation to them.

(4) The exercise of the powers conferred by any enactment by any person further to any sale, lease, charge or disposal under paragraph (1), or any agreement under paragraph (2), is subject to the same restrictions, liabilities and obligations as would apply under this Order if those powers were exercised by the Company.

Application of landlord and tenant law

19.—(1) This article applies to—

- (a) any agreement for leasing to any person the whole or any part of the authorised works or the right to operate the same; and
- (b) any agreement entered into by the Company with any person for the construction, maintenance, use or operation of the authorised works, or any part of them,

so far as any such agreement relates to the terms on which any land which is the subject of a lease granted by or under that agreement is to be provided for that person's use.

(2) No enactment or rule of law regulating the rights and obligations of landlords and tenants prejudices the operation of any agreement to which this article applies.

(3) No such enactment or rule of law applies in relation to the rights and obligations of the parties to any lease granted by or under any such agreement so as to—

- (a) exclude or in any respect modify any of the rights and obligations of those parties under the terms of the lease, whether with respect to the termination of the tenancy or any other matter;

Article 11

MODIFICATION OF COMPENSATION AND COMPULSORY PURCHASE ENACTMENTS FOR CREATION OF NEW RIGHTS AND IMPOSITION OF RESTRICTIVE COVENANTS

Compensation enactments

1. The enactments for the time being in force with respect to compensation for the compulsory purchase of land apply, with the necessary modifications as respects compensation in the case of a compulsory acquisition under this Order of a right by the creation of a new right and in the case of the imposition of a restrictive covenant, as they apply as respects compensation on the compulsory purchase of land and interests in land.

2.—(1) Without limitation on the scope of paragraph 1, the Land Compensation Act 1973(a) has effect subject to the modifications set out in sub-paragraphs (2) and (3).

(2) In section 44(1) (compensation for injurious affection), as it applies to compensation for injurious affection under section 7 of the 1965 Act as substituted by paragraph 4—

(a) 1973 c. 26.

- (a) for the words “land is acquired or taken” substitute “a right or restrictive covenant over land is purchased from or imposed on”; and
- (b) for the words “acquired or taken from him” substitute “over which the right is exercisable or the restrictive covenant enforceable”.

(3) For section 58(1) (determination of material detriment where part of house etc. proposed for compulsory acquisition)(a), as it applies to determinations under section 8 of the 1965 Act as substituted by paragraph 5, substitute—

“(1) In determining under section 8(1) and 34(2) of the Compulsory Purchase Act 1965, or section 166(2) of the Town and County Planning Act 1990 whether—

- (a) a right over land consisting of a house, building or manufactory can be taken without material detriment or damage to the house, building or manufactory; or
- (b) a right over land consisting of a park or garden belonging to a house can be taken without seriously affecting the amenity or convenience of the house,

the Upper Tribunal must take into account not only the effect of the acquisition of the right but also the use to be made of the right to be acquired, and, in a case where the right is proposed to be acquired for works or other purposes extending to other land, the effect of the whole of the works and the use to be made of the other land.”.

Application of the 1965 Act

3.—(1) The 1965 Act has effect with the modifications necessary to make it apply to the compulsory acquisition under this Order of a right by the creation of a new right, or to the imposition under this Order of a restrictive covenant as it applies to the compulsory acquisition under this Order of land, so that, in appropriate contexts, references in that Act to land are read (according to the requirements of the particular context) as referring to, or as including references to—

- (a) the right acquired or to be acquired or the restrictive covenant imposed or to be imposed, or
- (b) the land over which the right is or is to be exercisable or the restrictive covenant is or is to be enforceable.

(2) Without limitation on the scope of sub-paragraph (1), Part 1 of the 1965 Act applies in relation to the compulsory acquisition under this Order of a right by the creation of a new right or in relation to the imposition of a restrictive covenant, with the modifications specified in the following provisions of this Schedule.

4. For section 7 of the 1965 Act (measure of compensation in case of severance) substitute—

“**7.** In assessing the compensation to be paid by the acquiring authority under this Act, regard must be had not only to the extent (if any) to which the value of the land over which the right is to be acquired or the restrictive covenant is to be imposed is depreciated by the acquisition of the right or the imposition of the restrictive covenant but also to the damage (if any) to be sustained by the owner of the land by reason of its severance from other land of the owner, or injuriously affecting that other land by the exercise of the powers conferred by this or the special Act.”.

5. For section 8 of the 1965 Act (other provisions as to divided land) substitute—

“**8.—**(1) Where in consequence of the service on a person under section 5 of this Act of a notice to treat in respect of a right over, or a restrictive covenant affecting land consisting of a house, building or manufactory or of a park or garden belonging to a house (“the relevant land”)—

- (a) a question of disputed compensation in respect of the purchase of the right or the imposition of a restrictive covenant would apart from this section fall to be determined by the Lands Chamber of the Upper Tribunal (“the tribunal”); and

(a) As amended by section 16(3) of, and Schedule 5 to, the Compulsory Purchase (Vesting Declarations) Act 1981 (c. 66), section 4 of, and paragraph 29(1) of Schedule 2 to, the Planning (Consequential Provisions) Act 1990 (c. 11) and S.I. 2009/1307.

- (b) before the tribunal has determined that question the tribunal is satisfied that the person has an interest in the whole of the relevant land and is able and willing to sell that land, and—
 - (i) where that land consists of a house, building or manufactory, that the right cannot be purchased or the restrictive covenant imposed without material detriment to that land; or
 - (ii) where that land consists of such a park or garden, that the right cannot be purchased or the restrictive covenant imposed without seriously affecting the amenity or convenience of the house to which that land belongs,

the High Speed Rail (London – West Midlands) (Greatmoor Railway Sidings Etc.) Order 201[X](a) (“the Order”), in relation to that person, ceases to authorise the purchase of the right or the imposition of a restrictive covenant and is deemed to authorise the purchase of that person’s interest in the whole of the relevant land including, where the land consists of such a park or garden, the house to which it belongs, and the notice is deemed to have been served in respect of that interest on such date as the tribunal directs.

(2) Any question as to the extent of the land in which the Order is deemed to authorise the purchase of an interest by virtue of subsection (1) of this section is to be determined by the tribunal.

(3) Where in consequence of a determination of the tribunal that it is satisfied as mentioned in subsection (1) of this section the Order is deemed by virtue of that subsection to authorise the purchase of an interest in land, the acquiring authority may, at any time within the period of 6 weeks beginning with the date of the determination, withdraw the notice to treat in consequence of which the determination was made; but nothing in this subsection affects any other power of the authority to withdraw the notice.”.

6. The following provisions of the 1965 Act (which state the effect of a deed poll executed in various circumstances where there is no conveyance by persons with interests in the land), that is to say—

- (a) section 9(4) (failure by owners to convey);
- (b) paragraph 10(3) of Schedule 1 (owners under incapacity);
- (c) paragraph 2(3) of Schedule 2 (absent and untraced owners); and
- (d) paragraphs 2(3) and 7(2) of Schedule 4 (common land);

are modified so as to secure that, as against persons with interests in the land which are expressed to be overridden by the deed, the right which is to be compulsorily acquired or the restrictive covenant which is to be imposed is vested absolutely in the acquiring authority.

7. Section 11(b) of the 1965 Act (powers of entry) is modified so as to secure that, as from the date on which the acquiring authority has served notice to treat in respect of any right or restrictive covenant it has power, exercisable in the equivalent circumstances and subject to the equivalent conditions, to enter for the purpose of exercising that right or enforcing the restrictive covenant (which is deemed for this purpose to have been created on the date of service of the notice); and sections 12(c) (penalty for unauthorised entry) and 13(d) (entry on warrant in the event of obstruction) of the 1965 Act are modified correspondingly.

8. Section 20(e) of the 1965 Act (protection for interests of tenants at will, etc.) applies with the modifications necessary to secure that persons with such interests in land as are mentioned in that section are compensated in a manner corresponding to that in which they would be compensated on a compulsory acquisition under this Order of that land, but taking into account only the extent (if

 (b) Section 11 was amended by section 34(1) of, and Schedule 4 to, the Acquisition of Land Act 1981 (c. 67), section 3 of, and part 1 of Schedule 1 to, the Housing (Consequential Provisions) Act 1985 (c. 71), section 14 of, and paragraph 12(1) of Schedule 5 to, the Church of England (Miscellaneous Provisions) Measure 2006 (No. 1) and S.I. 2009/1307.
 (c) Section 12 was amended by Section 56(2) of, and part 1 of Schedule 9 to, the Courts Act 1971 (c. 23).
 (d) Section 13 was amended by Section 62(3), 139(4) to (9) and 146 of, and paragraphs 27 and 28 of Schedule 13 and part 3 of Schedule 23 to, the Tribunals, Courts and Enforcement Act 2007 (c. 15).

any) of such interference with such an interest as is actually caused, or likely to be caused, by the exercise of the right or the enforcement of the restrictive covenant in question.

9. Section 22 of the 1965 Act (interests omitted from purchase) is modified so as to enable the acquiring authority, in circumstances corresponding to those referred to in that section, to continue to be entitled to exercise the right acquired or to enforce the restrictive covenant imposed, subject to compliance with that section as respects compensation.
