Dear Mr [REDACTED]

FREEDOM OF INFORMATION REQUEST

Thank you for your Freedom of Information request dated 26 June regarding the outsourced ICT Services. You requested:

I would be most grateful if you would provide me, under the Freedom of Information Act, details in respect to the contracts below, details of which can be found on the second page of this document:

Lot 4 – Specialist Cloud Services

The details we require are:

- *Who is the senior officer(s) (outside of procurement) responsible for Specialist Consultancy Services for technology recruitment spend (Lot 4)*

Highways England does not have any senior officers outside of procurement responsible for Specialist Consultancy Services for technology recruitment spend. Any member of staff can submit a business case requesting to procure a resource from this framework. The business case would have to conform to and complete the Highways England governance processes and be signed off by senior management.

In keeping with the spirit and effect of the Freedom of Information legislation, all information disclosed to you is assumed to be releasable to the public unless exempt. We may therefore be publishing the information you requested, together with any related information that will provide a key to its wider context, via the [Gov.uk website](http://www.gov.uk).

If you are unhappy with the way we have handled your request you may ask for an internal review. Our internal review process is available at: <https://www.gov.uk/government/organisations/highways-england/about/complaints-procedure>

If you require a print copy of the process, please phone the Information Line on 0300 123 5000; or e-mail info@highwaysengland.co.uk. I would be grateful if you would contact me if you wish to have an internal review.

If you are not content with the outcome of the internal review, you have the right to apply directly to the Information Commissioner for a decision. The Information Commissioner can be contacted at:
