Information request

“Immigrants too often taking advantage of UK public services, says Cameron”;. This headline was in the Guardian after David Cameron's speech in Eastleigh. Which public services are immigrants taking advantage of and why should they not take advantage of Public services they are entitled to? Which immigrants are taking advantage since non EU immigrants are not entitled to any Public Funds until they have ILR which is currently at least five years after they arrive in UK on a settlement visa.

DWP response

The information requested is not held with this department and your FOI request needs to be sent to the Home Office.
