## Derogation Application Form - Compulsory Scrapie Flocks Scheme

To:			
Of: (full postal address)			
	Postcode:		
CPH(H) No(s)		Date	
NSP Membership No.			

- This is an application form to apply for a derogation under the Compulsory Scrapie Flocks Scheme (CSFS).
  - You can apply for the derogation as set out below and you should give your reasons in the space provided overleaf.
  - If you have any queries, please contact the NSP Helpline on 0345 601 4858.
- The following derogation is available where the frequency of the ARR allele within the breed or holding is low or where it is necessary to prevent in-breeding, you may apply for a delay in destruction of certain animals under the whole flock cull option or under the genotyping and cull option for up to five breeding years (18 months if a dairy flock).
- In the case of derogation, the Veterinary Officer (VO) at the Worcester Specialist Service Centre will be able to advise you if your flock would be eligible, based on:
  - Low levels of ARR allele in the flock
  - Low levels of ARR allele in the bred
  - Size and/or rarity of the breed, and
  - Lack of availability of suitable NSP tested replacements.
- Please set out in full the reasons for your application for the derogation(s) in the space provided below:

--

If you have spoken to the VO at the Worcester Specialist Service Centre about this, please tick this box
