

## Annex B: Impact Assessment

We have looked at 15 primary schools within a radius of 2.0 miles from the site of the University of Cambridge Primary School. We have concluded that the school may have a minimal impact on 8 schools and a moderate impact on 7 schools.

School name	School type	Distance from free school (miles)	Total number of pupils on roll	Capacity	KS2 2013 (% achieving level 4 or above in Reading, Writing, Mathematics)	Ofsted grade	Impact rating
Mayfield Primary School	Mixed primary; community school.	0.8	Overall surplus of 22 school places (5.2% of total school capacity)	420	78% of pupils achieved level 4 or above in reading and mathematics test and writing teacher assessment – <u>above average</u> .	Good – June 2013	Moderate – given the proximity to the free school, it is possible that Cambridge UTS will have a moderate impact on this school.
St Luke's C of E Primary School	Mixed primary; VA, C of E faith school.	0.8	Overall surplus of 41 school places (19.5% of total school capacity)	210	67% of pupils achieved level 4 or above in reading and mathematics test and writing teacher assessment – <u>below average</u> .	Requires Improvement – October 2013	Moderate - given the proximity to the free school and the poor Ofsted judgement, it is possible that Cambridge UTS will have a moderate impact on this school.
Park Street C of E Primary School	Mixed primary; VA, C of E faith school	1.1	Overall surplus of 4 school places (3.3% of	120	83% of pupils achieved level 4 or above in reading and mathematics test and writing teacher assessment - <u>above average</u> .	Good – January 2014	Minimal

			total school capacity)				
Arbury Primary School	Mixed primary; community school.	1.2	Overall surplus of 37 school places (8.8% of total school capacity)	420	71% of pupils achieved level 4 or above in reading and mathematics test and writing teacher assessment – <u>below average</u> .	Good – March 2014	Moderate – given the results at this school are below average, it is possible that Cambridge UTS will have a moderate impact on this school.
Milton Road Primary School	Mixed primary; community school.	1.4	Overall surplus of 8 school places (1.8% of total school capacity)	450	83% of pupils achieved level 4 or above in reading and mathematics test and writing teacher assessment – <u>above average</u> .	Outstanding – May 2009	Minimal
Newnham Croft Primary School	Mixed primary; community school.	1.5	Overall surplus of 16 school places (6.7% of total school capacity)	238	97% of pupils achieved level 4 or above in reading and mathematics test and writing teacher assessment – <u>well above average</u> .	Good – June 2014	Minimal
St Laurence's RC Primary School	Mixed primary; VA, Roman Catholic	1.5	Overall surplus of 73 school places (23.2% of	315	73% of pupils achieved level 4 or above in reading and mathematics test and writing teacher assessment- <u>below average</u> .	Good – March 2014	Moderate - given the results at this school are below average, it is possible that Cambridge UTS will

			total school capacity)				have a moderate impact on this school.
Orchard Park Community Primary School	Mixed primary; community school.	1.6	Overall surplus of 22 school places (14.7% of total school capacity)	150	75% of pupils achieved level 4 or above in reading and mathematics test and writing teacher assessment – <u>average or close to average.</u>	Good – December 2011	Moderate - given the results at this school are average, it is possible that Cambridge UTS will have a moderate impact on this school.
St Alban's Catholic Primary School	Mixed primary; VA, Roman Catholic	1.7	No surplus places	210	77% of pupils achieved level 4 or above in reading and mathematics test and writing teacher assessment – <u>average or close to average.</u>	Good – May 2010	Minimal
Girton Glebe Primary School	Mixed primary; community school.	1.7	No surplus places	210	74% of pupils achieved level 4 or above in reading and mathematics test and writing teacher assessment – <u>below average.</u>	Good – June 2010	Minimal
Coton Church of England (Voluntary Controlled) Primary School	Mixed primary; VA, C of E	1.8	No surplus places	112	94% of pupils achieved level 4 or above in reading and mathematics test and writing teacher assessment – <u>above average.</u>	Outstanding – October 2008	Minimal
St Pauls CofE VA Primary School	Mixed primary; VA, C of E	1.8	Overall surplus of 14 school places (6.7% of total	210	83% of pupils achieved level 4 or above in reading and mathematics test and writing teacher assessment – <u>above average.</u>	Good – July 2012	Minimal

			school capacity)				
The Grove Primary School	Mixed primary; community school.	1.8	Overall surplus of 71 school places (23.9% of total school capacity)	297	60% of pupils achieved level 4 or above in reading and mathematics test and writing teacher assessment - <u>well below average.</u>	Good – January 2013	Moderate - given the results at this school are well below average, it is possible that Cambridge UTS will have a moderate impact on this school.
St Matthew's Primary School	Mixed primary; community school.	1.9	Overall surplus of 153 school places (24.3% of total school capacity)	630	77% of pupils achieved level 4 or above in reading and mathematics test and writing teacher assessment - <u>average or close to average.</u>	Outstanding – September 2011	Minimal
Kings Hedges Primary School	Mixed primary; community school.	1.9	Overall surplus of 55 school places (13.1% of total school capacity)	420	72% of pupils achieved level 4 or above in reading and mathematics test and writing teacher assessment - <u>below average.</u>	Good – December 2011	Moderate - given the results at this school are below average, it is possible that Cambridge UTS will have a moderate impact on this school.
