

**Information Released under Freedom of Information Act**

**Subject:** Statistics relating to prosecutions for breaches of Section 84 of the Companies Act 2006

**Date Released:** 4 July 2014

**Summary of request:** The enquirer requested statistics on the number of Community Interest Companies that have a green or energy related purpose.

**Information released**

I have made enquires with the relevant department within Companies House and can confirm that there have been no cases where prosecution has been sought for breaches of trading disclosures over the last five years.

As you pointed out in your letter, there is a process of communication between Companies House and the company in breach and our aim in these matters is to gain compliance. Generally compliance is gained by letters sent by our Breaches team or the Companies House Legal Team.
