Notes

All fees and expenses are paid in accordance with the LPC's guidance.

Travel and subsistence expenses include hotel costs where appropriate.

Commissioners contributed up to 19 days in work for the Commission in 2014-15. Variations in Commissioner fees and expenses reflect that members live across the UK so some have higher travel and accommodation costs arising from attending Commission meetings in central London. There is also some variation in the number of days of work across the Commission: several research events and visits are optional, or were attended by specific subgroups of Commissioners.

Four Commissioners have not claimed any fees to which they are entitled, and others have not claimed for all days spent attending Commission meetings. In one other case* fees were passed on at the Commissioner's request to their employer.

Neil Carberry, Richard Dickens and Brian Strutton were appointed on 17 June 2014.
