**i** To find out more about penalties go to [www.gov.uk/self-assessment-tax-returns/penalties](http://www.gov.uk/self-assessment-tax-returns/penalties)

### Before you start

You may need the following documents to help you fill in the tax return:

- your forms P60, 'End of Year Certificate', P11D, 'Expenses or benefits' or P45, 'Details of employee leaving work' and your P2, 'PAYE Coding Notice'
- if you work for yourself, your profit or loss account or your business records
- your bank statements, building society passbooks, dividend counterfoils or investment brokers' schedules
- personal pension contributions certificates

**Do not send any receipts, accounts or other paperwork with your tax return, unless we ask for them.** If you do, it will take longer to deal with your tax return and will delay any repayment.

### How to fill in your tax return

If you fill in a paper tax return please:

- read the 'Most people file online' section on the front of the form
- enter your figures carefully – if you make a mistake, we may ask you to pay too much tax

If you ask someone else to fill in your tax return, you are still responsible for the information on it. And **you** must sign the form.

## What makes up your tax return

We have sent you a tax return that we think matches your personal circumstances. But you need to make sure the form has all the relevant supplementary pages.

Please read the first 2 pages of your tax return (and read notes 1 to 9 below) before you fill in the form. If you put an 'X' in any of the 'Yes' boxes on page TR 2, you need to fill in and send us the **supplementary pages** for that income or gain too. If you don't, we will treat your tax return as incomplete and send it back to you.

- i** If you need any supplementary pages and notes to help you complete them, you can:
- print them from our website, go to [www.gov.uk/self-assessment-forms-and-helplets](http://www.gov.uk/self-assessment-forms-and-helplets), or
  - phone the Self Assessment Orderline on 0300 200 3610

### 1 Employment

### 2 Self-employment

If you worked for yourself or you were a subcontractor working in the building industry, fill in the 'Self-employment' pages. If you worked with someone else in partnership, use the 'Partnership' pages.

There are 2 types of 'Self-employment' pages.

If your business is straightforward and your annual turnover was less than £81,000, use the 'Self-employment' short pages

You will need separate 'Self-employment' pages for each business.

### 3 Partnership

- any UK property rental
- furnished holiday letting from properties in the UK or European Economic Area (EEA)
- letting furnished rooms in your own home. But if you provided meals and other services, you will need to fill in the 'Self-employment' pages

### 5 Foreign

Use the 'Foreign' page if you received:

- interest (over £2,000) and income from overseas savings – if your only foreign income was untaxed foreign interest below £2000, you can put this amount in box 2 on page TR 3 of your tax return instead (see TRG 4)

- a beneficiary of a trust (not a 'bare' trust) or settlement, or

Make sure you tell us your date of birth. If you don't, you may not get all the allowances you are entitled to.

If the details are different or missing, for example, because you printed the tax return from the internet, write the correct details in or under the ‘Issue address’ on the front of the form.

- a payslip, P45 or your P60 for the year

## Income

### Interest and dividends from UK banks, building societies, etc

This includes:

- any interest you receive on bank, building society and other savings accounts
- dividends and other qualifying distributions from UK companies and UK authorised unit trusts or open-ended investment companies
- income from purchased life annuities
- interest you receive in non-cash form

**Don't include** any interest from Individual Savings Account (ISAs), Ulster Savings Certificates, Save As You Earn schemes or as part of an award by a UK court for damages.

We usually treat income from investments held in joint names as belonging to the two of you in equal shares. However, if you hold unequal shares, you can elect to receive the income and pay tax on those proportions. **Only put your share of any joint income on the tax return.**

If a nominee receives investment income on your behalf, or if you are a beneficiary of a bare trust, fill in boxes 1 to 4 – not the 'Trusts etc' pages.

If you make gifts to any of your children who are under 18 that produces more than £100 income (before tax), you need to include the whole amount of the income in your tax return.

If your bank or building society pays you an alternative finance return or profit share return instead of interest, put the amount in box 1 if it is taxed, or box 2 if it is not.

### UK interest etc

Include in box 1 or box 2 any interest from:

- bank and building society savings, including internet accounts
- UK authorised unit trusts, open-ended investment companies and investment trusts
- National Savings & Investments accounts and savings bonds
- taxable interest received on compensation payments, for example, payment protection insurance (PPI)
- certificates of tax deposit
- credit unions and friendly societies

**Don't include** interest from UK government securities (gilts), or interest from bonds, loan notes or securities issued by UK companies. These go in the 'Additional information' pages.

### Box 1 Taxed UK interest etc – the net amount after tax has been taken off

Copy the net interest details from your bank statements, building society passbooks or electronic vouchers from authorised unit trusts, open-ended investment companies or investment trust companies. If you have more than one account, add up all your net interest and put the total in box 1.

Include any net income (after tax has been taken off) from a purchased life annuity. Use the details on your payment certificate and **only put** the income part of the payment in box 1. **Don't include** the rest of the payment.

If you received cash or shares following the takeover or merger of building societies, you may have to pay tax on the income. If you do, include it in box 1. If you are not sure, put the amount in box 16 and give details in 'Any other information' on page TR 7.

### Box 2 Untaxed UK interest etc – amounts which have not had tax taken off

If you have an account that pays you gross interest (for example, because you have filled in a form 185, 'Claiming your interest without tax taken off'), put the gross amount in box 2.

If your only foreign income was untaxed foreign interest (of up to £2,000), you may put the amount in box 2 instead of filling in the 'Foreign' pages. You must put the name of the country where the interest arose and the amount you received (in UK pounds) in 'Any other information' on page TR 7. If it was more than £2,000, you will need to fill in the 'Foreign' pages.

### UK dividends

#### Box 3 Dividends from UK companies – the net amount, do not include the tax credit

Your dividend voucher will show your shares in the company, the dividend rate, and the tax credit and dividend payable. Put the total dividend payments in box 3 – don't add on the tax credit.

Include any dividends from employee share schemes. **Don't include:**

- Property Income Distributions from Real Estate Investment Trusts (REITs) or Property Authorised Investment Funds (PAIFs) – these go in box 16, and the tax taken off in box 18
- stock dividends or non-qualifying dividends – these go in the 'Additional information' pages

#### Box 4 Other dividends – do not include the tax credit

This includes dividend distributions from authorised unit trusts, open-ended investment companies, and investment trusts. Put the amount on your dividend voucher in box 4 – don't add on the tax credit.

Include in box 4 any dividend from accumulation units or shares that are automatically reinvested. **Don't include** any 'equalisation' amounts.

#### Box 5 Foreign dividends (up to £300)

If your only foreign income was taxed dividends, put the net amount in British pounds in box 5 instead of on the 'Foreign' pages. Put the foreign tax taken off in box 6.

#### UK pensions, annuities and other state benefits received

Not all benefits are taxable. **Don't include the following in boxes 7 to 12:**

- Attendance Allowance, Bereavement Payment or Personal Independence Payments
- State Pension Credit, Working Tax Credit, Child Tax Credit or Universal Credit
- additions to State Pensions or benefits for dependent children
- income-related Employment and Support Allowance, Jobfinder's Grant or Employment Zone payments
- Maternity Allowance
- War widow's pension and some pensions paid to other forces dependants
- pensions and other payments for disability, injury or illness due to military service
- overseas pensions – these go on the 'Foreign' page

 For more about what is and what is not taxable income, go to [www.gov.uk/income-tax](http://www.gov.uk/income-tax)

#### Box 7 State Pension

Use the letter 'About the general increase in benefits' that the Pension Service sent you to find your weekly State Pension amount.

Add up the amount you were entitled to receive from 6 April 2014 to 5 April 2015 and put the total in box 4.1. **Don't include** any amount you received for Attendance Allowance.

If your State Pension changed during the year or you only received it for part of the year, multiply each amount by the number of weeks that you were entitled to receive it. Add up your amounts carefully.

If you do not have the letter from the Pension Service, phone them on 0345 606 0265 (textphone 0800 731 7339) and ask them for the information.

If you received a lump sum because you deferred your State Pension, put the amount in box 8.

**Don't include** State Pension Credit, the Christmas bonus, Winter Fuel Payment or any addition for a dependant child.

#### Boxes 8 and 9 State Pension lump sum

Only fill in box 8 if you deferred your State Pension for at least 12 months and chose to receive it as a one-off lump sum in 2014–15. Put the gross amount (before tax taken off) in box 8 and the tax taken off in box 9.

**Don't include** any lump sum amount in box 7.

#### Box 10 Pensions (other than State Pension), retirement annuities and taxable triviality payments

Your pension payer will give you a P60, 'End of Year Certificate' or similar statement. Add up your total UK retirement annuities and pensions (not the State Pension), and put the total gross amount (before tax taken off) in box 10.

This includes pensions:

- from your, or your late husband's, wife's or civil partner's, employer
- from personal pension plans and stakeholder pension plans
- paid as drawdown pensions from a registered pension scheme
- from Additional Voluntary Contributions schemes
- for injuries at work or for work-related illnesses
- from service in the Armed Forces
- from retirement annuity contracts or trust schemes

It also includes the taxable part of any lump sums you received instead of a small pension ('trivial lump sum').

Please give us the following details in 'Any other information' on page TR 7:

- details of your pension or annuity payer and your reference number
- your PAYE reference
- the payment before tax and the amount of tax taken off

- could benefit from property you have settled if income from the property is treated as yours, and
- at some time since 17 March 1986 you
  - owned the property you are now benefiting from, or
  - owned and sold property and used the proceeds to buy the property you are now benefiting from, or
  - gave someone else property, including cash, and they used it to buy the property you are now benefiting from, or
  - settled assets into the trust that you can benefit on

Please tell us in ‘Any other information’ on page TR 7, how you worked out the benefit or charge that you put in box 19.

**Don’t include** the benefit if:

- the property could be liable to Inheritance Tax when you die
- the total benefit for the year is £5,000 or less
- you made the cash gift before 6 April 2007

- i** For more information about pre-owned assets and help working out your benefit:
- go to [www.hmrc.gov.uk/manualsa-z](http://www.hmrc.gov.uk/manualsa-z) and read page IHTM44000 in the Inheritance Tax Manual, or
  - phone the Probate and Inheritance Tax Helpline on 0300 123 1072

## Tax reliefs

This section covers tax relief for payments to pension schemes, charities and for E and Person’s Allowance. If you wish to claim other reliefs, for example, Married Couple’s Allowance where one of the couple was born before 6 April 1935, please use the ‘Additional information’ pages.

## Paying into registered pension schemes and overseas pension schemes

Fill in boxes 1 to 3 for payments to registered pension schemes and box 4 for payments to overseas pension schemes.

You can claim tax relief on your personal contributions to a registered pension scheme if you paid them before you reached age 75 and have:

- been a UK resident in the tax year, or
- had taxable UK earnings, such as employment income or profits from self-employment, or
- had UK taxable earnings from overseas Crown

employment (or your spouse or civil partner did), or

- been a UK resident when you joined the pension scheme, and at any time in the 5 tax years before 2014–15

**Don’t include** any amounts for:

- personal term assurance contributions
- your employer’s own contributions
- contributions taken from your pay before it was taxed

- i** For more information, go to [www.hmrc.gov.uk/helpsheet347](http://www.hmrc.gov.uk/helpsheet347)

## Limits to relief

The maximum personal contributions you can claim tax relief on is either:

- up to the amount of your taxable UK earnings in the tax year, or
- up to £3,600 gross (that is, £2,880 you paid plus 7/2% tax relief claimed by your pension provider) for a ‘relief at source’ scheme only

These limits also apply to overseas pension schemes.

The Annual Allowance is £40,000 for 2014–15.

If your contributions and other pension inputs are more than the Annual Allowance, you should also fill in boxes 7 to 12 on page Ai 4 of the ‘Additional information’ pages.

- i** For more information go to, [www.hmrc.gov.uk/helpsheet345](http://www.hmrc.gov.uk/helpsheet345)

## Personal contributions that had tax relief in the scheme

### Box 1 Payments to registered pension schemes operating ‘relief at source’

Under the ‘relief at source’ system, your pension provider claims basic rate tax relief (of 20%) on your personal contributions and adds that to your pension pot.

Put the total amount in box 1 – that is, your personal contributions paid to the scheme, plus the basic rate tax relief. Include any one-off contributions you made in the year and give us the details of any one off contributions in ‘Any other information’ on page TR 7.

Use the pension certificate or receipt you get from the administrator to fill in box 1 or work out the figure by dividing the amount you actually paid by 80 and multiplying the result by 100.

## Example

Emma paid £700 into her pension scheme. She puts £875 in box 1 (£700 divided by 80 and multiplied by 100), which is her net payment plus the tax relief of £175 (£875 at 20%).

If you pay tax at 40% or 45% you should still fill in box 1 with the amount you paid in plus the basic rate (20%) tax relief. We will work out the extra tax relief due to you over the basic rate claimed by your pension provider.

## Personal contributions with full relief still to claim

### Box 2 Payments to a retirement annuity contract

If your retirement annuity contract (RAC) provider does not use the 'relief at source' scheme they do not claim the basic rate (20%) tax relief on your behalf. Put your total personal contributions to the RAC in 2014–15 in box 2.

### Box 3 Payments to your employer's scheme which were not deducted from your pay before tax

In some schemes, an employer takes your personal contributions from your pay before they tax what's left. If you (or someone else who is not your employer) paid into such a scheme and no tax relief was given, you can claim that tax relief now. Put the total unrelieved amount you paid in 2014–15 in box 3.

### Box 4 Payments to an overseas pension scheme

You may get tax relief if you are eligible for migrant member relief, transitional corresponding relief or relief under a Double Taxation Agreement. Put the amount that qualifies for tax relief in box 4.

## Charitable giving

Tell us about the gifts to charities and Community Amateur Sports Clubs (CASCs) that you are claiming relief for.

For more information about giving to charity, go to [www.gov.uk/donating-to-charity](http://www.gov.uk/donating-to-charity)  
For an A to Z of registered CASCs, go to [www.hmrc.gov.uk/casc/clubs.htm](http://www.hmrc.gov.uk/casc/clubs.htm)

## Gift Aid

Gift Aid is a tax relief for gifts of money to charities and CASCs.

If you pay tax at the higher rate, or additional rate, you are entitled to additional tax relief – the calculation works it out for you.

If you were born before 6 April 1948 and pay tax at the basic rate (20%), your Gift Aid payments could reduce your tax bill so make sure you fill in box 1 on page TR 1.

### Box 5 Gift Aid payments made in the year to 5 April 2015

Put the total Gift Aid payments you made from 6 April 2014 to 5 April 2015 in this box. Don't include any payments under Payroll Giving.

### Box 6 Total of any 'one-off' payments in box 5

To help us get your PAYE tax code right, if you have one, put any 'one-off' payments you included in box 5 in box 6. These will be Gift Aid payments made from 6 April 2014 to 5 April 2015 that you do not intend to repeat in the year to 5 April 2016.

### Box 7 Gift Aid payments made in the year to 5 April 2015 but treated as if made in the year to 5 April 2014

Put in box 7 any Gift Aid payments that you made between 6 April 2014 and 5 April 2015, which you want us to treat as if you made them in the tax year 6 April 2013 to 5 April 2014.

### Box 8 Gift Aid payments made after 5 April 2015 but to be treated as if made in the year to 5 April 2015

If you want us to treat Gift Aid payments you made between 6 April 2015 and the date you send us your tax return, as if you made them in the year to 5 April 2015, put the amount in box 8. For example, if you know you will not be paying higher rate tax this year but you did in the year to 5 April 2015.

### Box 9 Value of qualifying shares or securities gifted to charity

You can claim tax relief for any qualifying shares and securities gifted, or sold at less than their market value, to charities. Qualifying shares and securities are:

- those listed on a recognised stock exchange or dealt in on a designated market in the UK
- units in an authorised unit trust
- shares in an open-ended investment company
- an interest in an offshore fund

Put in box 9 the net benefit of the shares or securities, minus any amounts or benefits received from the charity. Add any incidental costs for the transfer, such as brokers' fees or legal fees.

**i** For more information about charitable giving, go to [www.hmrc.gov.uk/helpsheet342](http://www.hmrc.gov.uk/helpsheet342)

### Box 10 Value of qualifying land and buildings gifted to charity

You can claim tax relief for any gift or sale at less than market value, of a 'qualifying interest in land' – that is, the whole of your beneficial interest in that freehold or leasehold land in the UK.

Put in box 10 the net benefit of the land, minus any amounts or benefits received from the charity. Add any costs of the gift or sale, such as legal or valuer's fees.

### Box 11 Value of qualifying investments gifted to non-UK charities in boxes 9 and 10

You can claim relief for gifts of qualifying shares, securities, land or buildings to certain non-UK charities. If any amounts included in box 9 or box 10 are to charities outside the UK, put the amount in box 11 and give us details in 'Any other information' on page TR 7.

### Box 12 Gift Aid payments to non-UK charities in box 5

You can claim relief for Gift Aid donations to certain non-UK charities. If any amounts included in box 5 are to charities outside the UK, put the amount in box 12 and give us details in 'Any other information' on page TR 7.

## Blind Person's Allowance

### Box 14 Enter the name of the local authority or other register

If you live in England or Wales, the local authority will put your name on their register of sight impaired (blind) people when you show them an eye specialist's certificate stating you are blind or severely sight impaired.

If you live in Scotland or Northern Ireland and are not on a register, you can claim the allowance if your eyesight is so bad you cannot do any work for which eyesight is essential. Write 'Scotland' or 'Northern Ireland' in box 14.

### Box 15 If you want your spouse's, or civil partner's, surplus allowance

Only put an 'X' in this box, if your spouse or civil partner has claimed Blind Person's Allowance but does not have enough taxable income to use it all, and you want to claim the surplus.

### Box 16 If you want your spouse, or civil partner, to have your surplus allowance

Only put an 'X' in the box if you claim the allowance but cannot use it all, and you want to give the balance to your spouse or civil partner.

If you put an 'X' in box 15 or box 16, please tell us your spouse's or civil partner's name and National Insurance number in 'Any other information' on page TR 7.

## Student Loan repayments

Once the Student Loans Company (SLC) write to tell you the date that you should start repaying your Income Contingent Repayment student loan, you can then fill in the student loan boxes.

### Boxes 1 to 3

Put an 'X' in box 1 if you have received a letter from the SLC.

In box 2, put the amount of any PAYE employment student loan deductions.

Finally, put an 'X' in box 3 if you think that you may fully repay your loan within the next 2 years.

**i** For more detailed information about repaying your Student Loan, go to [www.gov.uk/government/publications/student-loans-collection-of-loans-through-self-assessment](http://www.gov.uk/government/publications/student-loans-collection-of-loans-through-self-assessment) or the SLC website [studentloanrepayment.co.uk](http://studentloanrepayment.co.uk)

Do not fill in this box if all the income was employment income.

### Example

Helen works through a service company. Her salary is £15,000. She also receives £55,000 worth of dividends – £50,000 from the service company and £5,000 from the shares portfolio.

Helen must exclude the shares portfolio dividends when working out her total income. She puts £65,000 in the service companies box (£15,000 salary plus £50,000 service company dividends).

## Finishing your tax return

### Calculating your tax

If we receive your paper tax return by the deadline, we will work out if you have any tax to pay and tell you before **31 January 2016**. We will send you a tax calculation that also tells you if you have to make payments on account for 2014–15.

If you want to work out the amount of tax that you owe or may be repaid, use ‘A rough guide to your tax bill’ on page TRG 12 of these notes.

### Tax refunded or set off

This may be a repayment of CIS deductions (if you work in the construction industry), PAYE tax or tax paid on savings income. It may also be an amount we reallocate to an existing debt.

### If you have not paid enough tax

#### Boxes 2 and 3

If you owe less than £3,000 tax for 2014–15, we will try to collect it through your wages or pension from 6 April 2016. But, we can only do this if you send us your paper tax return by 31 October 2015 or file online by 30 December 2015 and:

- you have enough wages or pension to collect the tax you owe
- it does not double the amount of tax you pay on this income
- it does not cause you to pay more than half of this income in tax

Only put an ‘X’ in box 2 if you **do not** want us to do this and would prefer to pay any tax through your Self Assessment by 31 January 2016.

If you are likely to owe tax for 2015–16, we will try to collect it through your wages or pension from 6 April 2015. If the income is more than £10,000 we will not normally do this.

You may owe this tax if you receive:

- Child Benefit payments and your income is over £50,000, or
- savings or investments income, or
- property income, or
- casual earnings or commission

Only put an ‘X’ in box 3 if you **do not** want us to do this and would prefer to pay any tax through your Self Assessment by 31 January 2017.

**i** For more information about paying directly to us, go to [www.gov.uk/pay-self-assessment-tax-bill](http://www.gov.uk/pay-self-assessment-tax-bill)
