Change Title: Amendment to Basis of Funding		

Data item / Rule Number:

Codeset D00217 Basis for Funding

Data item 100510 <FundingBasis>

Description of change:

The amendment of codeset D00217, to remove code 'OTH'

D00217	Basis for Funding
ECO	Economic criteria
HSD	High-level SEN or disability
LAA	Looked after or adopted from care
OTH	Other

Data item (100510) <FundingBasis> and codeset D00217 are used in Early Years Census. If this RFC is approved a new data item will be introduced to replace (100510) with a new CBDS number referring to the new codeset, all other metadata will remain the unchanged.

Reason for change (including benefits):

Policy have reviewed their data requirements and now confirmed that: 'there will be no 2 year olds funded for "other" reasons'

Impact of not doing the change:

Basis for funding for 2 year olds could be incorrectly recorded.

ISB view of the proposed change:

There is no equivalent ISB standard currently for this data item/code list, however we have no objections to this change, in fact it is in line with ISB practice to avoid use of an "other" value in controlled/code lists.

Funding availability:

Not applicable
