1 Introduction

- 1.1. This Report is made by the Secretary of State for Communities and Local Government (“the Secretary of State”), and laid before the House of Commons, in accordance with paragraph 5 of Schedule 7B to the Local Government Finance Act 1988 (“the 1988 Act”)¹. It applies in relation to England only.
- 1.2. This Report sets out the Secretary of State’s determination for the financial year 2015/2016, made under paragraph 4 of Schedule 7B to the 1988 Act, of the percentage of the settlement funding assessment that is to be the central share and the percentage that is to be the local share for each billing authority.
- 1.3. This Report sets out the Secretary of State’s determination to pay a revenue support grant (“Revenue Support Grant”) for the financial year 2015/2016 under section 78 of the 1988 Act², the total amount of the grant for that year, the amount of the grant he proposes to pay to receiving authorities, and the amount of the grant he proposes to pay to the specified body.
- 1.4. This Report also specifies the basis on which the Secretary of State proposes to distribute among receiving authorities the amount of Revenue Support Grant to be paid to such authorities for the financial year 2015/2016.
- 1.5. Before making the determination under section 78 of the 1988 Act, the Secretary of State consulted representatives of local government and all local authorities and obtained the Treasury’s consent³. Before making this Report the Secretary of State also notified such representatives of the general nature of the basis of calculation of the distribution of Revenue Support Grant⁴ and of the general nature of the basis of calculation of tariff and top-up payments⁵ (as referred to in para 1.6).
- 1.6. This Report also sets out the basis on which the Secretary of State proposes to calculate which authorities are to receive payments (referred to in this Report as “top-up” payments) and which authorities are to make payments (referred to in this Report as “tariff” payments) and the amount of such payments, under Part 5 of Schedule 7B to the 1988 Act.

¹ Schedule 7B was inserted by Schedule 1 to the Local Government Finance Act 2012 (“the 2012 Act”).

² Section 78 was amended by paragraph 9 of Schedule 10 to the Local Government Finance Act 1992 Act, by paragraph 15 of Schedule 7 to the Local Government Act 2003 and by paragraphs 1 and 2 of Schedule 2 of the 2012 Act [paragraph 3 amends section 78(A) of the 1988 Act which deals with finance reports].

³ Pursuant to section 78(5) of the 1988 Act.

⁴ Pursuant to section 78(A) of the 1988 Act. This section was amended by paragraphs 1 and 3 of Schedule 2 to the 2012 Act and paragraphs 9 and 15 of Schedule 7 to the Local Government Act 2003.

⁵ Pursuant to paragraph 12(2) of Schedule 7B to the 1988 Act. This section was inserted by Schedule 1 to the 2012 Act.

2 Central and local share

2.1. Pursuant to paragraph 4 of Schedule 7B to the 1988 Act, the Secretary of State hereby determines that in relation to each billing authority in England:

3 Revenue Support Grant

- 3.2. Pursuant to section 78(3)(aa) of the 1988 Act, the Secretary of State will pay grant to receiving authorities.
- 3.3. Pursuant to section 78(3)(b) of the 1988 Act, the Secretary of State hereby determines that the amount of the grant to be paid to receiving authorities is £9,509,365,360. A receiving authority is any billing authority or major precepting authority¹.
- 3.4. The amount of the Revenue Support Grant that is to be distributed to local policing bodies² for police services is zero. Funding with respect to policing will be provided to local policing bodies under section 46(3) of the Police Act 1996 through the Police Grant Report (England and Wales) 2015/16.

-
- (i) ¹ Each of the following is a major precepting authority: a county council which does not have the functions of a district council;
 - (ii) police and crime commissioners in England whose police area is listed in Schedule 1 to the Police Act 1996 [The MOPAC is a functional body of the GLA (s.424(1) GLA Act 1999)] ;
 - (iii) a metropolitan county fire and rescue authority;
 - (iv) a fire and rescue authority constituted by a scheme under section 2 of the Fire and Rescue Services Act 2004 or a scheme to which section 4 of that Act applies (a “combined fire and rescue authority”); and
 - (v) the Greater London Authority.

² Local policing bodies comprise the Mayor’s Office for Policing and Crime, police and crime commissioners and the Common Council of the City of London.

³ Specified bodies are bodies which provide services for local authorities and are specified in regulations made by the Secretary of State under section 76(4) of the 1988 Act or similar provisions in earlier legislation. There is currently only one such body.

4 Distribution of Revenue Support Grant

- 4.1. This section specifies the basis on which the Secretary of State will distribute among receiving authorities the amount of Revenue Support Grant which will be paid for the year 2015/2016 under Part V of the 1988 Act.
- 4.2. The Secretary of State will first make a specific allocation for the Isles of Scilly (Part A).
- 4.3. The Secretary of State will secondly change the individual elements of the 2014/2015 Revenue Support Grant allocation for each authority in proportion to the change in the 2015/16 national control total for that element, with the exception of the allocation for the Isles of Scilly (Part B).
- 4.4. The Secretary of State will thirdly, add three new elements to Revenue Support Grant (Local Welfare Provision, Efficiency Support Funding and Carbon Reduction Credits Efficiency Scheme adjustment and make adjustments to four elements (Upper-Tier Funding, Fire and Rescue Funding, Council Tax Freeze Compensation Part 2 and Rural Services Delivery Funding) (Part C).
- 4.4. The share of Revenue Support Grant for each receiving authority is the sum of the amounts calculated for each element in accordance with Parts A, B and C of this section, if any, for that authority.

Part A – Isles of Scilly

- 4.5. From the amount of Revenue Support Grant which the Secretary of State will pay to receiving authorities, he will pay £1,901,063 with respect to the Isles of Scilly.

Part B – 2014-15 elements of Revenue Support Grant

- 4.6. The elements of the 2014/15 Revenue Support Grant, the purpose of the funding through each element and the classes of authority to which each element is paid are set out in Annex A. The 2015/16 national control totals are set out in Annex B.
- 4.7. The amount of Revenue Support Grant for 2015/2016 for each authority in respect of each 2014-15 element payable to that authority, is calculated as follows:

$$A \times (B / C)$$

where:

- A The amount of the 2014/15 element, calculated in accordance with Section 5 of the Local Government Finance Report (England) 2014/2015;

- B The national control total for the 2015/16 element
- C The sum for all authorities of the result of A;

Part C – Adjusted and new elements of Revenue Support Grant

- 4.8. The Local Welfare Provision element replaces the Local Welfare Provision funding provided by the Department for Work and Pensions.
- 4.9. The total amount of funding allocated to the Local Welfare Provision element is based on the amount provided for local welfare provision funding in 2014/15, excluding support for administration costs, and reduced by 10% in line with the reduction in the Local Government Department Expenditure Limit for 2015/16.
- 4.10. The Local Welfare Provision element is calculated as follows for each local authority:

$$D \times (E / F)$$

where:

- D The amount of Local Welfare Provision funding allocated by the Department for Work and Pensions in 2014/15, where appropriate;
 - E The national control total for the 2015/16 element
 - F The sum for all authorities of the result of D;
- 4.11. The Carbon Reduction Credits Energy Efficiency Scheme adjustment will compensate the Exchequer for the loss of tax revenue from authorities who no longer qualify for the scheme due to the removal of schools. This is based on the 2012/13 non-schools emissions for each authority and multiplied by the Phase 2 allowance (£15.60 per tonne).
 - 4.12. A table showing the negative Carbon Reduction Credits Efficiency Scheme adjustment for all appropriate authorities is given at Annex D.
 - 4.13. As a result of the 2012 valuation of the Firefighters' Pension Schemes, the estimated average employer contribution rate paid by fire and rescue authorities in 2015-16 will be approximately 0.24% lower than in 2014-15. So that the reduction in scheme costs is fiscally neutral for the sector and central Government, the Fire Funding element of Revenue Support Grant will be adjusted for fire and rescue authorities.
 - 4.14. A table showing the firefighters' pensions scheme adjustment for all appropriate authorities is given at Annex C. It has been calculated using the approximate change in average employer contribution rate (0.24%) and the forecast pensionable pay for each appropriate authority.

4.15. The Fire Funding element is calculated as follows for each local authority:

$$G \times (H / I) + J$$

where:

- G The amount of the 2014/15 Fire Funding element, calculated in accordance with Section 5 of the Local Government Finance Report (England) 2014/2015;
- H The national control total for the 2015/16 Fire Funding element
- I The sum for all authorities of the result of G
- J The amount of the firefighters' pension scheme adjustment, where appropriate

4.16. The 2014/15 Efficiency Support element is the allocation of Efficiency Support Grant for each authority as described in Grant Determination No: 31/2366, where appropriate.

4.17. The Upper-Tier Funding Element is calculated as follows for each authority:

$$K \times (L / M) - N$$

4.18. where:

- K The amount of the 2014/15 Upper-Tier Funding, calculated in accordance with Section 5 of the Local Government Finance Report (England) 2014/2015, where appropriate;
- L The national control total for the 2015/16 Upper-Tier Funding element
- M The sum for all authorities of the result of K
- N The Local Welfare Provision element, calculated in accordance with paragraph 4.10 of this Report

4.19. The Council Tax Freeze Compensation Part 2 Element is calculated as follows for each authority:

$$O + P$$

where:

Local Government Finance Report (England) 2015/2016

- O The amount of the 2014/15 Council Tax Freeze Compensation Part 2, calculated in accordance with Section 5 of the Local Government Finance Report (England) 2014/2015, where appropriate;
- P The amount of Council Tax Freeze Grant 2014/2015 as described in Grant Determination No: 31/2335

4.20. The Rural Service Delivery element is calculated as follows for each authority:

$$Q \times (R / S) + T$$

where:

- Q The amount of the 2014/15 Rural Services Delivery Funding, calculated in accordance with Section 5 of the Local Government Finance Report (England) 2014/2015, where appropriate;
- R The national control total for the 2015/16 Rural Services Delivery Funding element
- S The sum for all authorities of the result of Q
- T The amount of Rural Services Delivery Grant – Top Up (2014/15) as described in Grant Determination No: 31/2352, where appropriate

5 Distribution of Baseline Funding Level

- 5.1 The 2014/2015 Baseline Funding Level comprises the same elements as Revenue Support Grant, set out in annex A. In addition, there are also elements for Greater London Transport Funding¹ and London Bus Services Operators Funding.
- 5.2 The Secretary of State will uprate the 2014/2015 Baseline Funding Level for each local authority in every class of authority by the increase in the Small Business Non-Domestic Rating Multiplier².
- 5.3 The Baseline Funding Level is calculated for each authority as follows.

$$U \times (V / W)$$

where:

- U** is the share of the Baseline Funding calculated in accordance with section 4 of the Local Government Finance Report (England) 2014/2015;
- V** is the value of the 2015/2016 Small Business Non-Domestic Rating Multiplier, which is 0.480;
- W** is the value of the 2014/2015 Small Business Non-Domestic Rating Multiplier, which is 0.471.

¹ A Transport Grant payable directly to the Greater London Authority for the purposes of Transport for London, as provided for under Section 101 of the Greater London Authority Act 1999, will continue to be paid by the Department for Transport.

² The Small Business Non-Domestic Rating Multiplier for 2015/16 has been calculated in accordance with paragraph 4 of Schedule 7 of the 1988 Act.

6 Tariff and top-up amounts

- 6.1. Pursuant to paragraph 12 of Schedule 7B to the 1988 Act, this section specifies the basis on which the Secretary of State proposes to calculate –
- which relevant authorities are to make payments (“tariffs”) under Part 5 of Schedule 7B to the Act;
 - which relevant authorities are to receive payments (“top-ups”) under Part 5 of Schedule 7B to the Act; and
 - the amount of each such payment.
- 6.2. The Secretary of State proposes to calculate the tariffs and top-ups for each local authority by up-rating the tariffs for 2014/2015 (as set out in the Local Government Finance Report (England) 2014/2015) by the value of the 2015/2016 Small Business Non-Domestic Rating Multiplier.
- 6.3. The tariff and top up amount for 2015/2016 will be calculated as:

$$X \times (Y / Z)$$

where:

- X** is the tariff or top up amount for the authority for 2014/2015 (see section 6 of the Local Government Finance Report (England) 2014/2015);
- Y** is the value of the 2015/2016 Small Business Non-Domestic Rating Multiplier, which is 0.480;
- Z** is the value of the 2014/2015 Small Business Non-Domestic Rating Multiplier, which is 0.471.

- 6.4. For pools of authorities designated for 2015/2016 see section 8 of this Report.

7 Credit to the Levy Account

8 Pooling

- 8.1 Part 9 of Schedule 7B to the 1988 Act provides authorities can come together to form pools for the purposes of certain provisions of the Schedule. The Secretary of State has designated the following pools for 2015/16. The pools specified will be treated as a single authority for tariff and top up purposes.
- 8.2 For pools designated for 2015/2016, a single tariff or top-up figure for the pool will be calculated in accordance with Sections 9 and 10 of the Local Government Finance Report (England) 2013/2014 and Section 6 of this Report. This is equal to the sum of all the tariffs and top-ups of the relevant authorities in the pool, had they been treated separately.
