Information request

How will your government support organisations like mine to meet this growing need?

Will you ensure that any anticipated extra resources will actually filter down to grass roots organisations?

I would like to see any documents you have which demonstrate how your government plans to support organisations like mine in this area.

DWP response

You originally sent your request to Downing Street on 27 June who advised you to contact DWP. I must advise you that this information is not held by the Department for Work & Pensions. I suggest you direct your request to the Department for Business, Innovation & skills at:

Information Rights Unit
